Message from our Community Service Director

By Tina Barry

Jennifer Jones, Rotary International President, was recently asked "How do we make people *feel* Rotary?". She said the best way is to share our Rotary moments and went on to say, "*when the ordinary collides with intention we create something extraordinary*".

I love that sentiment – Rotary moments such as those are the ones I cherish most. Seeing someone I haven't seen in a long time at a weekly meeting or greeting a new member and seeing their excitement at being in our Club or being amazed at a recent accomplishment with one of our many projects.

On Nov 2nd, we hope to create a Rotary moment I hope *you'll* cherish. We're going to combine one of our Wednesday meetings with our Grab 'N Go service project and with great intention, create an extraordinary afternoon--one that our LBCC and CSULB students will certainly find as a wonderful benefit.

Feeding the Future is the name of this project and it all began when Connie Rivera and Denise Dahlhausen learned about the critical need of food insecure students at our Long Beach colleges. They brought the issue to our Rotary Club and for the past four years we've filled 1500 bags and delivered them to students in need at our two local colleges.

So join us on Nov 2 for our event:

- Arrive early (11:15 am) for a buffet lunch
- Then gather to fill and deliver the bags to LBCC and CSULB
- We should be done by 2:00 pm

Got extra time that day? We could use additional help in the following ways:

- Meet at 9:30 am to unload the items and set up our room at The Grand
- After the assembly portion of the day, help us load vehicles and deliver the bags to LBCC and CSULB pantries.

Wear comfortable clothes or your Halloween costume. We'll have music and snacks and, of course, lots of fellowship and fun.

Come and make a Rotary moment that I hope you'll cherish.

Thank You for Your Vote
