This Week's Program

Wednesday, March 29

**So Much More Than a Fish Tank:
Making a Difference**

**Peter Kareiva, CEO, President
Aquarium of the Pacific**

**12:00 Noon - LUNCH
12:30 - 1:30 p.m. - Program**

Peter Kareiva is the CEO, President of the Aquarium of Pacific and a Research Professor at UCLA, where he was previously the Director of the Institute of the Environment and Sustainability. He has taught at Brown University, University of Washington, UCSB, Stanford, Santa Clara University, University of Virginia, and Swedish Agricultural University in Uppsala.

In addition to numerous popular articles, Kareiva has published over 200 scientific papers and authored or edited eight books in fields ranging from conservation, genetic engineering, evolution, climate change, agriculture and risk analysis.

Dr. Kareiva has served as the Vice President of Science for The Nature Conservancy, and Director of the Division of Conservation Biology at Northwest Fisheries Science Center of NOAA. His honors include election to the American Academy of Arts and Sciences and election to The National Academy of Sciences. His career is unique because of how frequently he has moved between academia, the private sector, and the federal government.

He is currently the Chief Scientist for relistwolves.org – a volunteer group of committed citizens that is disturbed by the thoughtless and unnecessary slaughter of wolves taking place in Montana, Wyoming, and Idaho. He is committed to science that engages the public and believes that connecting to nature is the one thing that can overcome the deep political and social divides that plague the nation today.

Camp Corner

By **Daniel Eufrazio Tapia, Camp Enterprise Committee Chair**

My Dearest Friends,

By the time you read this, we will have had our Counselor Orientation, selected our students, and we'll be finalizing the last details for Camp Enterprise this year.

For this week's Camp Corner, I will talk about a couple of new things this year. First off, Mu Zhang has worked up some incredible new fleeces for the campers, and I am quite ready to wear mine every day until it is nothing but threads. They are looking fantastic, Mu.

Next, this year we will be incorporating the 4-Way Test into everything at Camp. The 4-Way Test is a huge opportunity to encourage these young adults to not just be entrepreneurs but ethical and compassionate businesspeople. Ethics are the foundation of our lives and our Club, and we want the 4-Way Test to be a guiding principle for the next generation. This was Lynne Wainfan's idea, so thanks, Lynne!

If you have any questions, would still like to help, or want to take me out for a glass of wine, please reach me at danieleufraciotapia@gmail.com. Thanks so much, and don't forget, **TUESDAY IS THE MEETING on April 4th!!!**
