Homelessness Trends and Innovative Solutions
Doug Haubert, City Prosecutor

12:00pm - 1:30pm
Lunch and Program at The Grand Event Center - 4101 E. Willow Street

Dial In Details Will Be Sent
 12:30 - 1:30pm - Program Via ZOOM

Doug Haubert is a skilled attorney with 22 years of experience as a civil and criminal prosecutor. He was elected Long Beach City Prosecutor in 2010, and re-elected in 2014 and 2018.

As City Prosecutor, Doug started Long Beach, California's *Gang Prevention Strategy*, a three-part approach to reducing gang violence. Using technology to suppress gang activity, while also assisting former gang members with social services, Haubert's *Gang Prevention Strategy* has been called a model for other cities, and the most effective and innovative gang prevention strategy in use today by former Los Angeles County Sheriff Jim McDonnell.

In addition to reducing gang violence, City Prosecutor Haubert also created the Parent Accountability and Chronic Truancy (P.A.C.T.) program to prevent youth from joining gangs in the first place. PACT, a partnership between the school district and the City Prosecutor's Office, focuses on intervention efforts to address chronic truancy and improve parent engagement.

City Prosecutor Haubert is also recognized as a national leader in court diversion programs. In 2016, he launched a program to divert nonviolent, first-time offenders out of court and into jobs and work-readiness programs. This program, called Promising Adults, Tomorrow's Hope, or P.A.T.H., aims to improve employment outcomes while reducing recidivism. Also, in 2016 Haubert's Community Service Worker (C.S.W.) diversion program was named Best Neighborhood Program in America by Neighborhoods, USA. Other diversion programs Haubert has been instrumental in creating involve pre-booking diversion of drug-addicted persons (L.E.A.D., Law Enforcement Assisted Diversion), social services for sex trafficking workers (D.S.P., Directed Services Program) and supportive housing for incarcerated misdemeanants suffering from mental disorders or substance abuse (P.A.D., Priority Access Diversion).

Programs led by City Prosecutor Haubert have helped bring significant grant funding to the City of Long Beach. The City Prosecutor's Office itself has received over one half-million dollars from the United States Department of Justice for youth gang prevention and court diversion. Most recently, Long Beach was chosen for the USDOJ's *Innovative Prosecution Solutions* grant which will help police officers connect homeless people to critical social services using technology developed by local software company Laserfiche.

City Prosecutor Haubert received his B.A. in Political Science from U.C. Santa Barbara, and his Juris Doctorate *With Distinction* from University of the Pacific, McGeorge School of Law. He has served on the California State Bar Public Law Executive Committee, the Long Beach Public Library Foundation, and Goodwill Industries of Southern Los Angeles Board of Directors. He is currently the Vice President of the Los Angeles County Prosecutors Association, Chairman of Mothers Against Drunk Driving (MADD) of Southern California and a member of the Rotary Club of Long Beach.

President 104's Post #46

Matt Kinley

IT KEEPS GOING AND GOING AND GOING

One month until the end of the Rotary year. Thirty days until Prez Matt is out, and Prez Dennis is in. The closing pitchers are warming up for the ninth inning. The weight-challenged lady is warming up her vocal cords backstage. The days are getting longer and the weather is warming up, creating the perfect setting.

June is the best time in Rotary! Like the finale of an opera with its drama and excitement, made all the better by having the entire cast on stage. Or like the finale of Seinfeld with iconic characters from prior episodes, like George Steinbrenner, Uncle Leo, the Bubble Boy, the Soup Nazi, Babu, and that slick lawyer Jackie Chiles, all came together to testify in court against Jerry, George, Elaine, and Kramer. Or like the baseball game with the crowd standing and cheering a climatic ending. June is the opportunity for us all to come together.

And this year, that's saying something! The three remaining meetings feature presentations by the Rotary Club of Long Beach Scholarship Foundation, great programs, the celebration of some truly great Rotarians, and the time-honored President's Demotion. *The Rotary Meetings are back!*

On June 23 at 5:30 p.m. the RCLB will have the President's Party--Fiesta Style--in MOLAA's spectacular patio. This is our opportunity to thank the outgoing board (bravo!) and welcome the incoming board. Look for your invitations in the mail. Plans are in the works for some surprises that you don't want to miss.

As someone said, *Don't be fooled by the calendar. There are only as many days in the year as you make use of.* The RCLB is still working to make the world a better place. As just one example, there was an unbelievable overwhelming response from Rotarians to the last-minute plea for money for our seventh and eighth water well in Mozambique. And just like that, within a few short months, two more villages will have clean water because Rotarians chose to act. It's a great time to be a member of the RCLB. Make sure to make the best use of the coming days - and come out and celebrate with Rotary!

I got the clearance to eat at a restaurant so we went to Michaels downtown LB for dinner! Whoo hoo!

Tom Clemo

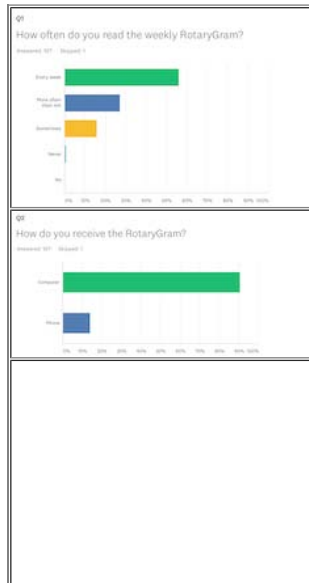

by Craig Dougherty

Very sad to report the passing May 29, 2021 in Seattle of Tom Clemo, a 23-year member of our Rotary Club and a member of our Club's only 4-generation family. His grandfather Ross Hall was the 13th RCLB president in 1929-1930. His father Bill and son Matt were also members. Known by his friends and fellow Rotarians as *The Man of Understated Elegance* Tom served as co-SGA and Vice President in 1987. He graduated from Poly, Cal and Indiana University.
