SHARING ROTARY

Inviting a family member, friend or someone in your circle of influence to join Rotary contributes to our mission of improving our community and the world. Our members drive our work and are the lifeblood of our club.

Inviting a potential Rotarian to join creates more great relationships with like-minded people, builds meaningful friendships, and adds to the success of every Rotarian. Each person invited to join Rotary gives back to our members and our club by contributing their special talents and personalities. We all have life-long friendships that have developed in RCLB.

During this time of social restrictions and against all odds, the RCLB still creates meaning in Rotarians♦ lives. As members of the RCLB, we are the beneficiaries of joining one of the great Rotary Clubs of the world, over 103 years old, 35th in size, and tops in contributions to the RI Foundation. The list goes on and on and will continue far into the future.

This week we will induct five new Rotarians into our club ♦ they are the first members of the very special RCLB Class of 104. Please take a moment to come to our virtual meeting this week and see the special induction. Since we can♦t shake their hands or give them a Braden Phillips hug, at least for now, please reach out to them and make them feel welcomed. We will take some time in future meetings to meet each one of them more personally.

Thank you to the Rotarians who sponsored our new members. It is one of the most important contributions you can make to RCLB.

Our **Maverick** just celebrated his 7th birthday on July 6th. Before we met him, he was fostered by **Dana Buchanan** (RCLB member since 2009).

Xavier and I fell in love with the little guy the minute we were introduced! He has brought joy to our

family and, for those of you who have met him, you know he has a darling, mischievous personality.

Maverick is a mix of chihuahua and 'wiener dog' (*a Chiweenie*). His home base is our gift store, [RainDance](#) in Shoreline Village, and he wants to remind Rotarians to "Come on in - we're open and ready to show you our beautiful selection of Native American and Western art and jewelry!"

That's Mav's clone on the right in the photo. Thank you for the opportunity to tell you about Maverick
 ♦ we hope to see you all again soon!

Gabrielle Canale (*Rotarian since 2013*)

... how it all began

103 years ago, seven Long Beach businessmen met with **Granville Savage**, a Rotarian visiting from New York. He is considered the ♦Father of LB Rotary♦. He told them that a Rotary Club was needed in Long Beach, and what it would mean toward cementing the friendships and fellowships of our fellow men, and also how it would serve to elevate the business ethics of all of us.

The Rotary Club of Long Beach was founded by fifteen Charter Members on November 1, 1917 - George H. Besancon, J.E. Carter, John Feers, John

Our Rotary Family ...

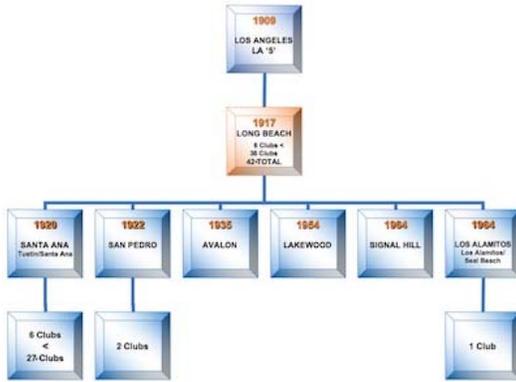

Mike Walter is recuperating at home following surgery.

PP 79 **Jack Hinsche** and Kathy welcomed grandson Kal Everett Washington on July 24.

M. Forsyth, Ed J. Gillette, F.A. Green, George M. LaShell, William T. Lisenby, Joseph J. Mottell, Wm. P. Nestle, R.S. Oakford, John Rankin, Fred Steele, Ed J. Steinke and Dr. F.E. Walker with **J.J. Mottell** serving as the **Charter President 1917-1918**.

They could not have imagined that the club they chartered on November 1st, 1917, would become a service club that would parallel Long Beach's history and that its members would, for over a century, contribute time, talent, and treasure to benefit this City.

Those first charter members caught the vision of creating an organization that would cement friendships, contribute to community, and elevate business ethics.

LA 5 (the 5th RI Club chartered in 1909) sponsored Long Beach. From 1920-1964, **Long Beach sponsored 6 Clubs: Santa Ana, San Pedro, Avalon, Lakewood, Signal Hill and Los Alamitos** (now Los Alamitos/Seal Beach).

From the start of our Club, over 42 additional clubs have been started, thanks to Granville Savage, 15 Charter Members and LA's vision.

Santa Ana, now Tustin-Santa Ana, which we sponsored in May, 1920, recently had to postpone their 100th anniversary recognition until 2021. We look forward to celebrating with them next year!

Today, Long Beach is among the top 50 around the world and comprised of almost 300 members whose motto is, **Service Above Self**.

Rotary Founder, Paul Harris, visited Long Beach twice ... once in 1925 (left photo) and again in 1941 when he planted a magnolia tree in Bixby Park, just before our 25th Anniversary.
