**President 105's Post #25**

By **Dennis C. Smith**

Happy 2022!

I hope you had a wonderful holiday season, and were able to revive some family traditions that were put on hold last year.

From a Rotary Club of Long Beach perspective, we are starting 2022 the way we started 2021, on ZOOM.

With the recent surge in COVID infections in our community, and among some members, we will be holding our weekly meetings on ZOOM until further notice. From varying reports, the current variant that spreads quickly is less debilitating for those vaccinated and boosted, which should enable us to return to live meetings in the nearer rather than farther future.

The fourth question of the 4-Way Test is, **Is it BENEFICIAL to all concerned?** To protect our members, and workers at The Grand, the way to answer yes is to delay our first in-person meeting for 2022 at least one week, and possibly more.

Looking forward to a new year, I wish everyone a healthy, prosperous, and peaceful 2022.

Thank you for your continued support of our Club and community.

We are Long Beach Rotary,

Dennis

Remembering **Betty White** who was a guest speaker at the RCLB, invited by her friend Dr. Jerry Schubel, president and CEO of the Aquarium of the Pacific at the time. Have a fond memory of standing in line to greet her alongside Alana Dougherty (*Craig's daughter*).

Alana was a big fan of The Golden Girls, a beautiful example of the ageless range of her appeal.

When I read or hear the name Betty White, I feel - positive, kindness, humor and her memory will always bring a smile ❤️
