ROTARY LEADERSHIP REVEAL

Dennis Smith, President #105
 Rotary Club of Long Beach 2021-2022

By the time Dennis arrived in Long Beach at 18 years old just after his freshman year at Pitzer College in Claremont, he had lived in six cities in five states and a foreign country. After receiving his degree in Economics and Political Studies in 1984 he moved to Long Beach full time. His first job was in the original Farmers & Merchants bank on Pine Avenue where he worked in various departments and met Rotarians Phil Sblendorio, John Hinrichs and Dan Walker though the latter two would have no remembrance of the green kid in the note department.

After a few years at Farmers & Merchants, Smith started working in the mortgage industry in 1987. In 1999, he and his partners founded Stratis Financial with offices in Torrance and Huntington Beach. In 2014, he became a registered advisor to broaden the service and assistance he could provide his clients.

Smith comes from a family that has always been involved in community service and followed in his mother's and grandmother's footsteps by becoming active in Long Beach. He has chaired or served as President of several organizations including the local chapter of the California Association of Mortgage Brokers, Long Beach Education Foundation, Community Hospital, and Leadership Long Beach.

In 2012, Smith was introduced to the Rotary Club of Long Beach by his sponsors Dana Buchanan and Brian Russell. Since joining the Club he has served as a Sergeant at Arms, Vice President, and Director of Membership as well as a member of the Club's Foundation Board of Directors.

Of the different roles he plays, his favorite is to be known in many parts of the community as Mr. Leslie Smith and father to Blaire and Jenna. No matter how busy his schedule, he can usually find time for a round of golf, a spell at the barbecue joining fire and meat, or sitting and sipping some whiskey with friends old and new.

President 104's Post #23

ROTARY AND TRADITION

*"I wish it need not have happened in my time," said Frodo.
 "So do I," said Gandalf, "and so do all who live to see such times. But that is not for them to decide. All we have to decide is what to do with the time that is given us."*

- J.R.R. Tolkien, *The Fellowship of the Ring*

The RCLB has its customs, some of which have existed for a long time. They bring us the cultural inheritance and richness of a 103+ year history. There's the **sacred** Rotary Bell to open and close meetings. We call each other by first names, demonstrating the RCLB's century old focus on equality and friendship. We are committed to service and serve our local and international community.

And this week, President-elect Dennis will announce our Club's new Board for the upcoming year, and he will announce President 107 (107!), the Rotarian who will lead us during the 2023-2024 Rotary Year. This changing of the guard is a grand tradition that connects this generation of Rotarians to the successes of prior generations. Just as we are proud of our past, we are also proud of our future.

But clinging to tradition in the face of a changing world can prevent evolution and progress. It took far too long to accept women as Rotarians and to finally name one as President (#82 to be exact, our own Cam Killingsworth). We have more work to do to make sure that we are a diverse club that represents our community. We must exert the greatest efforts in making sure that every Rotarian feels welcomed.

Answer the Call:

The Gift of Time

The circumstances of our time have given us an opportunity to make Rotary a thriving force for years into the future. Even though we have temporarily halted our fundamental custom of meeting in person, I hope every Rotarian will take a

Help Our Community

Even though we are limited in the ways we can help, I hope every Rotarian will contribute gift cards to help families in need celebrate the Holidays. These gift cards will be given to the Salvation Army and Young Horizons who have identified families to benefit from your donation.

Let's Create Some New Traditions

Even though we live in times when even meeting with our families could cause harm, I hope every Rotarian finds a way this Holiday season to embrace their community, friends, and family in way that reflects the circumstances in which we live but also shows the commitment, love, and joy of a being a Long Beach Rotarian.

Our Rotary Family...

Congratulations to Rotarian **Robyn Gordon-Peterson** for her recent appointment to the Long Beach City College Personnel Commission. Rotarian and LBCC Board of Trustees member **Ginny Baxter** said, "I think Robyn exemplifies the best in our citizenry with her exceptional background and her commitment to fairness."

Rotarian **Stacey Baltes** wrote recently to let us know why she has missed attending weekly RCLB meetings. She has gone back to school to earn a Registered Dietician License to top off her 25 years of experience in the wellness field. Most of us know Stacey in her public relations role at Anchor Seaport Escrow; however, she is just as involved in Simply Nutrition, her Los Alamitos-based business. Stacey says, "It's one of my greatest passions - helping others live healthier lives".
