Our speakers this morning were **Wen Chen**, and her daughter, **Sylvia** who are both human rights activists. Wen was born in China and became a US citizen in 1994. Her daughter is 18 and will be entering Cal Tech in a few short weeks to study electrical engineering. Their presentation centered around many human rights violations continuing to take place in China. They spoke about illegal organ harvesting as well as the continued degradation of the Uyghurs, a Turkic ethnic group residing in an isolated region of Northwest China. Wen spoke to our club 5 years ago and is still passionate about changing the way China rules their people. She said more than 390 million people, once affiliated with the Chinese Communist Party, are canceling their memberships because of the continuing violations.

*Rotary changes us
and those we serve.
I believe we can change the
world one life at a time.*

PDG Evlyn Wilcox passed away
last week. She served the
District between 1998-99

As you can see by the chart at the right, our Zones 26 & 27 came in 6th place, worldwide, in donations to TRF for the 2020-21. Rotary year! What an outstanding accomplishment for all of us who are members of these two Zones!
