Rotary Club of Hemet Meeting - September 16, 2020

This weeks speaker will be:

Dr. Jeremy Brown, Vice President of Instruction - MSJC

Dr. Jeremy Brown has served Mt. San Jacinto College and the surrounding community in several roles as Associate Professor of Music and Director of the Menifee Jazz Ensemble, as Instructional Dean at the Menifee Valley Campus, and today as Vice President of Instruction. He works with cross-functional teams at MSJC developing initiatives to support student success such as the First Year Experience program, the Success! Pathways project, and various aspects of MSJC's Call to Action for student equity. He has partnered with leaders in the cities MSJC serves to foster community engagement, for example in the MSJC/Menifee Collaboration Committee and planning the MSJC Arts Fest (now Menifee's Music and Arts Festival). Jeremy continues to make music throughout southern California, working with many of the finest musicians and educators. A debut Jeremy Brown Quartet jazz recording and his book *Jazz and Blues: Crossroads and Evolution* were released in 2014. The MSJC Menifee Jazz Ensemble recorded his compositions for big band on the recording *Hop Scotch*.

Jeremy earned a Master and Doctor of Musical Arts from the University of Texas at Austin. In the flourishing music scene of Austin, Jeremy was in high demand as a drummer and percussionist in jazz, blues, rock, classical, and avant garde musical styles, working nightly with Austin's finest musicians. In his last year in Texas, he toured with Chicago's The Musical.

Jeremy most enjoys road-tripping and vacationing with his wife Mallouce, and two sons Christopher and Alexander.
