TEAMWORK PAYS OFF WITH "WE CARE PACKS"

Our September Service project was led by Patsy Manhart. We used our morning meeting time to assemble well over 200 "We Care Packs". Each pack contained travel size personal hygiene products. Patsy and fellow Rotarians delivered these packs to the Joslyn Center, The Coachella Valley Rescue Mission and the Palm Springs Methodist Church for distribution to the homeless and seniors in need. The Westin Mission Hills was a big contributor for this project. Thank you to everyone for their helping hands!

A SOCIAL FIESTA IN THE NEIGHBORHOOD

Our Rotary Socials are growing in popularity! Attending is a fantastic way to get to know not only our own club, but our neighboring clubs.

In September, the Social was held at Las Casuelas Nuevas. We had another fantastic turnout of twenty people including our members, guests and Rotarians from the Cathedral City Club.

Don't miss the October Social. It will be held at Omni's Blu Ember; a open air venue with a magnificent patio! Invite your friends and make it fun!
