President Message

I look forward to celebrating Veterans Day with all of you on Wednesday. We will honor every man and woman who's ever worn the uniform of our nation those who've selflessly secured America's promise throughout our history. We also remember that honoring those who've served isn't just about what we say and do on Veteran's day. It's about how we honor our veterans every day of the year. It's remaining committed to supporting them and their families in every way that we possibly can. It's about serving them as well as they've served and continue to serve our nation.

Judy Zulfiqar, President 2020-2021

This Week's Speaker - Past District Governor Ricardo "Taco" Loretta

Ricardo Loretta was raised in a small village in northern Mexico named Dinamita, Durango. His father was sent there by Dupont to manage an explosives factory **💎** hence the name **💎Dinamita,💎** which is Dynamite in Spanish. He attended a one room school where there was (in his words), **💎One teacher and 10 students at its high point, and 2 at the low, my brother Dave and I. We were taught 5 subjects in both English and Spanish: Reading, Writing, Arithmetic, Geography and History. Our primary language was Spanish, as that💎s what everyone with whom we had contact spoke, except for our parents and our teacher.💎**

Past President Bruce Cripe 2003-2004

Bruce Cripe not only served our country with honor he served our club from 2003 to 2004. His favorite memories are his time spent at RYLA, the chicken wings at sizzler and the many awards that our club won at District conference! We look forward to hearing from Bruce at this week's meeting.
