## Speaker Michael Julian To Discuss Surviving an Active Shooter

If an unstable employee, ex-employee, or employee family member entered your workplace with a weapon, **would you and your employees know what to do?** This is a serious question that every safety manager, human resources, risk management professional and employee should confidently answer **YES** to.

## President's Message

Our 2nd Annual Rotary Golf Tournament was a success! The rainy weather did not dampen the spirit of our club! Rotarians showed up to volunteer, sponsors came ready to serve the golfers and golfers showed up to play despite the weather! I would like to offer a personal THANK YOU to Golf Tournament Chairs Bob Brown and Kim Gerrish for their time and dedication to making this event happen. THANK YOU to our sponsors for your support of our club and programs. THANK YOU to the Golf Committee who made this event a success. THANK YOU to all of the Rotarians who volunteered their time with planning and execution and finally THANK YOU to the Golfers for your participation! I can't wait to share our final fundraising numbers with the club. It was a great day to CONNECT with each other and with our community.

Yours in Rotary Service,

Cherise Manning

## WE CARE

Update regarding fellow Rotarian **Lorilee Bajema**. As many of you know, she was in a car accident and is currently in the hospital at Cedar Sinai. She has a severe fracture of her Tibia and has already had two surgeries, she is hoping to be released to a rehabilitation soon. She appreciates all your positive thoughts and prayers and looks forward to having people reach out to her. She is currently in room 711 in the North Tower.

I have good news regarding fellow Rotarian **Richard Smith**. He should be coming home this week, he will need to stay off his foot for another month or so, and will be using a wheel chair. He could use some help from his fellow Rotarians. Karen will be checking in with him and setting up a meal train. He may need some help with shopping, errands etc. We are hoping that he might be up for attending a meeting in the near future. Please keep him in your prayers and we will provide more information on how you can help soon.
