President Message

Many hands make the work go quickly and there were many hands on deck this Saturday for the Boys and Girls Club cleanup. Several Rotary clubs and many volunteers from the community continued the tree trimming, hedging, raking and overall trash cleanup for the Boys and Girls Club on Pujol street. The new Generations Club was also on hand planting trees in Rotary park. A great day of Rotarians at Work!! Seeing many Rotarians in their "Rotarians at Work" shirts reminded me that it would be a good time to order shirts for our membership.
