WE CARE

Update regarding fellow Rotarian **Lorilee Bajema**. As many of you know, she was in a car accident and is currently in the hospital at Cedar Sinai. She has a severe fracture of her Tibia and has already had one surgery and will be having a second surgery this Wednesday to pin it in place with metal plates. She appreciates all your positive thoughts and prayers and looks forward to having people reach out to her. She is currently in room 711 in the North Tower.

Senior Food Box Deliveries - Tuesday, September 21st

Our Rotary club was able to connect with our local seniors last Tuesday when we did our monthly senior food deliveries. We were honored to have the City of Temecula come out and document our club and our senior outreach program. Our next senior deliveries will be Tuesday, October 19th.

B.R.I.D.G.E. COMMITTEE

The B.R.I.D.G.E Committee was asked by Mike Whooten from the City of Temecula Homeless Outreach to help with securing gas cards for a family of 10 to relocate. They have not been able to pay rent and were asked to leave their apartment. The mom reached out to the Community Mission of Hope for housing and other immediate needs. The family, through counseling at CMOH were able to come up with a solution to their homelessness. This family consists of a Grandmother that helps with the grandchildren of a single mom with 8 children. Four of the children are from a separate father. One of the fathers of four recently purchased a home in Alabama and will house all 8 children, mom and grandmother.

This family has been vetted through the Community Mission of Hope which has a lengthy application process. They are supplying them with food & gas cards, car repairs for a safe trip and other needs. The Rotary Club of Temecula supplied the family in person with \$500 in gas cards so there would be enough money to cover the cost of gas for two vehicles. The family leaves the state of California tomorrow in 2 vehicles filled with all their

belongings driven by Grandma and the daughter. Today we connected with CMOH and The Help Center for the homeless and met the grandmother and mom who were so appreciative, humbled and ready for a better life.
