President Message

Last week's in-person meeting was an adventure and a joy. Wonderful to see so many of our members and excited that the combined live/zoom format worked fairly well in an outdoor venue. Thank you Dale Machen for helping me haul all the equipment to and from the park, setting it up and making us sound amazing!! As the county and state start to open up I hope to have more in-person meetings and eventually get us back to a regular schedule and permanent meeting place.

Judy Zulfiqar, President 2020-2021

Speaker of the Week - Brenda Erlinger

Brenda Erlinger joined Developments in Literacy (DIL) in 2011 as Program Development Director. Brenda leads research and development of new and innovative initiatives that result in increased impact and capacity. She currently directs DIL's Libraries and Reading Program including USAID funded Read to Grow Read to Know: ELibraries for Rural Schools, and is enjoying collaborating with her colleagues to bring Technology Enabled Academic Learning (TEAL), a classroom tablet intervention, to life. She holds a M.A. in International Development from The George Washington University's Elliott School of International Affairs and a Multiple Subject Teaching Credential. Brenda's interest in education and technology for international development stems from a conviction in the inherent potential and value of each child. Her work at DIL takes her to Pakistan where she has been enchanted by the people, inspired by DIL teachers and students, and where she tends to drink entirely too much chai!
