COROTATOR

Notes from the Scribe

President Ivan Иван шпион and his slide show did NOT welcome us back to the Hotel Del because he's now PAST-president Ivan the Spy. The czar is out, **President Tami** is IN! Happy New Rotary Year and welcome to Coronado Rotary's Year of the Woman! But, no matter what changes some things stay the same and the **Fifth** Rotary of Coronado **President with Shaved Legs** asked **Ed Morris** to offer the invocation and lead the Pledge. **Bob Schoultz** provided the pre-meeting fiddling and the **Humble Scribe** introduced our visiting Rotarians. "Rotary Connects the World" is this year's Rotary Theme and being "People of Action," we're all in!

Rotary Notes of Interest & Announcements

1. We last met two weeks ago and since then we've held an Alt Meeting starring **Wayne Strickland** speaking on the Bridge suicide barriers. **Suzanne Manuel** and **Ivan Dunn** accepted on our behalf the District 5340 Best Large Club Award. We met our Summer Exchange students and had a picnic at Concert in the Park for them. Our Rotary 4th of July Float, starring **Heidi Bergener** and the Wolfpack Wheelchair Basketball Team, under the direction of **John Pedrotty** and **Bob Rutherford**, swept all the first prizes they could garner. Finally, the Hotel Del gave us a brick! But, not just any brick, a 1910 brick from the old power building.
2. Beach Clean-up is this Saturday, July 13. Meet at Rotary Beach (Isabel & Ocean) at 7:45 a.m. **Paul Laedlein** will be there with equipment, and then it's off to the beach, and then DONUTS!
3. The Rotary Club of Coronado is sponsoring Concert in the Park on July 21. Bring something to share and look for **Marilyn Rees** who will be holding down the fort until you all arrive.
4. Rotarians can be bribed, or at least that's what **President Tami** thinks as she's offering a \$50 Blue Bridge gift card as a raffle prize for all those who turn in their Planning Guides by end of July. This is as much self-preservation as reward because if you don't tell **President Tami** how much you're willing to be fined, it's open season!

Here's the terrific TEAM responsible for our fabulous FLOAT!

President Tami displays all the "loot" won by our fabulous 4th of July float!

Fines and Recognitions

1. There were none today, but we wouldn't rest lightly.

Family of Rotary

Nora Boswell is the chair of the Care and Concern committee and they're taking on more responsibilities and could use more volunteers.

Membership

The following persons have been invited to join the Rotary Club of Coronado and have been vetted by the Board of Directors and Membership Committee. If any member has an objection to these proposed members they need to make their objections known, in writing within ten days, to the Board of Directors.

None yet, but there were several "Special Guests" introduced today!

Program

Today was a Club Assembly where **President Tami** asked each of us to connect to a committee or two to support everything we endeavor to do. First up:

International Service: Bob Spear spoke about Limbs of Freedom our facility in Ensenada where we help create artificial legs for locals. We go down about four times a year and fit about 25 limbs per year. Cam Cameron produced a nice video to show what goes on. Next up:

Youth Services: Mark Warner and Heidi Bergener lead Interact our High School service club. They're trying to start Interact at Mar Vista HS in Imperial Beach, so there's lots to do. **Dominique Davis** heads the committee which supports the Barrio Logan College Institute. If you have a musical ear, or if you don't, **Mariah Gillespie** and **Rob Taylor** could use your help with the Music Competition and Scholarship competition. Rotaract is spearheaded by **Natalie Bailey**. You know about Coronado Community Rotaract, but we also sponsor three other Rotaract Clubs. Finally, there is San Pasqual Academy where **Debby Syverson** is heavily involved and loves all the attention they get from us.

Community Services: This includes Fisher House, Everyone a Reader, Beach Clean-up, Flags on the Avenue, and just about everything else we do to make Coronado a better place.

Club Service: This is the greeters; the badge board, invocators, PR, the Low Tide Ride and Stride, the Golf Tournament, and **Sue Maack** said the Wine Tasting Committee serves End Polio Now and themselves! Writing the Corotator also falls under this category and if you'd like to spend a couple of hours each week writing it, contact your **Humble Scribe**. We are people of action so get involved or more involved! Join any one of our 65 committees, or 64 now as **President Tami's** first official act was to disband the Roast Committee!
