## COROTATOR

### *Notes from the Scribe*

Round Two of the Rotary Club of Coronado's Year of the Woman! **President Tami** asked **Craig Blakey** to offer the invocation and then the **Fifth Rotary of Coronado President with Shaved Legs** asked the **Second Rotary of Coronado President with Shaved Legs** to introduce the visiting Rotarians!

## Rotary Notes of Interest & Announcements

1. Since we are People of Action last week we cleaned up the beach and had a Rotaract Mixer at **Suzanne Popp's** house!
2. The first order of real business was for **President Tami** to have Foundation Chair **Paul Laedlein** and District Governor **Marta Knight** honor our latest Paul Harris Fellows. **Carolyn Crane** and **Tom Fleming** were awarded their second. Getting their fourth were **Sue Ryan** and **Bob Schoultz**. **Georgia Ellis** and **Howard Somers** got their fifth. **Mary Ann Berta** got her sixth. **Dan Hutchison** and **John Pedrotty** got their seventh while **Mike Woiwode** received his seventh and eighth. **Mary Griffin** and **Ken MacLeod** also earned their eighth. Thank you all and congratulations.
3. Every club has a Super Hero and DG **Marta** was pleased to present a very surprised **Brittany Teeter** with the Coronado Rotary Club Super Hero Award! Well-deserved, **Brittany**.
4. **Rainier Trinidad** reminded everyone to pay their dues and turn in their planning guides (see below).
5. Did you know you can pay your dues online? Just go to our website: [www.coronadorotary.org](http://www.coronadorotary.org) and click on the Pay Now button for Annual Membership Dues on the right side of the Home Page.
6. The Rotary Club of Coronado is sponsoring Concert in the Park on July 21. Bring something to share and look for **Marilyn Rees** who will be holding down the fort until you all arrive.
7. We've never had too much fun, so we're having another Rotary Happy Hour at **David Lowenberg's** home at 923 J Avenue, Tuesday, July 23, from 5-7pm. You know the drill! Please bring something to share and adult beverages!
8. Rotarians can be bribed, or at least that's what **President Tami** thinks as she's offering a \$100 Blue Bridge gift card as a raffle prize for all those who turn in their Planning Guides by next meeting. This is as much self-preservation as reward because if you don't tell **President Tami** how much you're willing to be fined, it's open season!
9. By the time you read this you will have missed the opportunity to support Coronado Rotaract and PAWS at Millennial Trivia tonight at the Mexican Village.
10. **Doug Weisbarth** reminded us that **Umberto** and **Tim** of the Hotel Del have been serving Rotary for 35 years!
11. Here's a tip: Pay attention to "table topics" the next time we mix up seating. It might save you some money!

**DG Marta and our latest round of very generous Paul Harris Fellows—kudos to all!**

**Brittany Teeter displays her well-deserved Cub Super Hero Award! We are so proud of our Millennial Super Stars!**

July 17 Ray Karno  
 July 18 LuAnn Miller

 July 19 Robert Smyth

## Fines and Recognitions

1. **Jan Goldsmith** has two weeks perfect attendance and a new gig writing for the U-T. His first story was about our very own District Governor Marta Knight. It's a volunteer job, but **President Tami** fined him \$50 anyway!
2. Guess who was on the front page of the Eagle-Journal, above the fold no less? Our Rotarian of the Year **Tom Mitchell**. \$100

## Family of Rotary

**Nora Boswell** is the chair of the Care and Concern committee and they're taking on more responsibilities and could use more volunteers.

## Membership

The following persons have been invited to join the Rotary Club of Coronado and have been vetted by the Board of Directors and Membership Committee. If any member has an objection to these proposed members they need to make their objections known, in writing within ten days, to the Board of Directors.

*None yet, but there were several "Special Guests" introduced today!*

## Program

We were honored to host our District Governor Marta Knight. She was introduced by Suzanne **Manuel**, er, **Jan Goldsmith**, since he wrote the article. The important things to know about DG Marta are that she's been married 52 years and both her father and grandfather were District Governors in Mexico. Stealing past-president **Ken MacLeod's** theme she told us how Rotary allows ordinary people to do extraordinary things. She honored **Brittany Teeter** as a "Club Super-hero," and then told us about her Rotary "Ah-Ha" moment. That had to do with when she led a Group Study Exchange to Ecuador. Next year we will concentrate on our "Core Values:" Fellowship, Integrity, Diversity, Service, and Leadership. We will honor the past and embrace our future! The Rotary International goals are to grow Rotary, involve the family, redesign our leadership positions, and build our relationship with the United Nations (what could possibly go wrong with that?). DG Marta reminded us that the District Membership meeting will be August 9/10 and the Leadership Institute will be September 21. District grants totaling \$4000 each will be available soon. And, mark your calendars for October 24 which is Rotary World Polio Day and Jonas Salk's birthday. Our own Bob Watson created a "Sister District" with District 4100 and that agreement has been renewed. The District Conference with our District 5340 and District 4100 will be at the Coronado Community Center on Flower Show weekend. Hopefully, all the attendees will join us for Pancake Breakfast. This is the year we "Make Good Things Happen Together."
