## COROTATOR

### *Notes from the Scribe*

De Peeples of Action were in action today! **Suzanne Manuel** greeting everyone with fluting, and **President Tami** asked **Phil Monroe** to offer the invocation and **The Humble Scribe** to introduce the visiting Rotarians. **President Tami** also started a new little quiz and prevailed upon the lyin', thieving weasel politician **Marvin Heinze** to tell three truths and one lie about his life. What do you think it was? Was his mom a Rotarian? Did he fail his scouting merit badge? Did he hike 200 miles of the John Muir Trail alone? Does he live on the same street he has since he moved to Coronado? Answer later!

## **Rotary Notes of Interest & Announcements**

1. De Peeples of Action were very busy last week with Concert in the Park, Happy Hour at **Dave Lowenberg's**, and Rotaract Millennial Trivia!
2. Rotarians can be bribed, or at least that's what **President Tami** thinks as she's offering a \$100 Blue Bridge gift card as a raffle prize for all those who turn in their Planning Guides by next meeting. This is as much self-preservation as reward because if you don't tell **President Tami** how much you're willing to be fined, it's open season!
3. By the way, the Board of Directors finalized the budget. If you like it, congratulate **President Tami**. If you don't, it's all the Board of Directors!
4. If you'd like to be involved in planning the Wine Tasting End Polio Now party they're having a meeting on July 30 at 5:30 p.m. at **Kevin Rugee's** patio at 1024 Isabella.
5. Don't miss the District 5340 Membership Rally on August 10 at USD from 8:30-noon. See Suzanne Manuel for more details!
6. The next Alt Meeting will be August 13 and **Travis Wilson** will be there to speak of his time with the Green Berets.
7. Speaking of the Wine Tasting Party **Pat Flynn** announced it will be Friday, September 27 at **Jim Kaufman's** home.
8. Stand by for a new Coronado Rotary email address coming soon! We'll let you know when it's up and running so you can update your address book.
9. The answer to **Marvin Heinze's** fibs? His mom was never a Rotarian. His dad was!

**Madame President Tami did us proud telling the Concert in the Park crowd we are "this close" to ending polio worldwide!**

**Words cannot express our gratitude for their service! These Vietnam Veterans received a lapel pin from our speaker and a standing ovation from the rest of our grateful club.**

## Fines and Recognitions

1. Being Peeples of Action **Marvin Heinze** and **Jill Olen** made up in Mauritius, and, in fact, Jill got three make-ups in one as three Clubs met as one!
2. Not to be outdone, **Amy Steward** and **Dan'l Steward** made up in Saipan!
3. **Travis Wilson** didn't make up, but because of his service he got to throw out the first pitch at the Cleveland Indians game. Threw a perfect strike we heard.
4. "Run and Sip!" **Richard and Kitt Williams** ran the Sonoma Half-marathon last weekend. Kitt got second in her age group, but more importantly, forty area wineries offered samples to the runners. After the race!
5. President Tami gave kudos to **Kevin Rugee** for designing **Dave Lowenberg's** home and it cost Kevin \$50 for the referral!

## Family of Rotary

**Nora Boswell** is the chair of the Care and Concern committee and they're taking on more responsibilities and could use more volunteers.

## Membership

The following persons have been invited to join the Rotary Club of Coronado and have been vetted by the Board of Directors and Membership Committee. If any member has an objection to these proposed members they need to make their objections known, in writing within ten days, to the Board of Directors.

*None yet, but there were several "Special Guests" introduced today!*

## Program

President Tami asked **Phil Monroe** to introduce Kim Mitchell of the Veterans Village of San Diego which is a veterans' service organization dedicated to helping veterans transition from military to civilian life. VVSD offers veterans residential treatment programs, transitional housing, temporary bridge housing for homeless vets (a tent in the Midway District), and employment and training services. Our own **Ken Kaminski** used to set up a legitimate court at Stand Down where they would help to clear warrants. **Dan Hutchison** and **Chris Kleber** helped raise money for, and staff, the dental clinic. Finally, Kim honored all our Vietnam vets with a service pin, and it was stunning and inspirational how many of our brethren served in Vietnam. They received a well-deserved ovation in recognition of their service.
