## COROTATOR

### *Notes from the Substitute Scribe*

We're a quarter of the way through **Pandemic President Robin's** reign and he opened the meeting by asking **Ivan Dunn** to offer the invocation (with a shout out to **Ed Morris**) and lead the Pledge. No visiting Rotarians today and only a couple of guests. So, another zoom meeting began.

In case you missed our Zoom meeting this week you can catch it here on YouTube:

## Rotary Notes of Interest & Announcements

1. Who Am I! **Ben Shapiro** HAS to be our youngest member as he's still a senior at SDSU! He was born in Heidelberg, Germany to a British opera singer and an SDSU dean. He attended CoSA at CHS and participated in a number of our Four Way Test Speech Contests and CoSA plays. He's already started two tech start-ups, Endera which supplies electric vans to MTA and Tekmates which connects tech savvy college students with senior citizens. In whatever spare time he has he likes to travel.
  2. The End Polio Now! Wine Tasting is this Friday so go buy your ticket today on the Coronado Rotary website! **Kitt Williams** will be sending out the link Thursday. The silent auction is now live at [www.biddingowl.com/rotaryclubofcoronado](http://www.biddingowl.com/rotaryclubofcoronado).
  3. Wearing a different hat, **Kitt Williams** is encouraging every Rotarian to get with the program and sign up for the City's 130 Mile Challenge. You have from now until December 11, when the City turns 130 to log 130 miles anyway you like! The Rotary Team is up to third place with 30 participants. Here's the link: <https://runsignup.com/Race/CA/Coronado/Coronado130MileChallenge> Now, see if you can catch **Kitt and Richard Williams!**
1. In the New Member Minute **Ivan Dunn** re-introduced us to the "Jessica's." **Jessica Cunningham** is a second generation Rotarian (Her dad is **Dwight Settles**) who likes volleyball and running. **Jessica Hru Perry** is a Navy doc who likes talking about Rome where she was married.
  2. If you like picking up trash **Zayanne Thompson** has a deal for you. Virtually every Saturday there's a group of Rotarians picking up our town. This Saturday they're meeting at the D Avenue parking lot at 8:00 a.m. to clean up the Bay beach, then again at 9:30 at Tidelands Park to help out the Port.

**Zooming in all the way from Berlin, we were privileged to meet our speaker and SD Symphony's Music Director, Rafael Payare.**

## Fines and Recognitions

1. We have Rotary Anniversaries and even with **Pandemic President Robin's** head's up some still screwed it up. The deal was \$50 and \$10 for each year you missed.
2. **Cliff Bee** got it right at nineteen years as did **Jim Kaufman** at fourteen years. So, \$50 for each of them.
3. **Blair King** and **Lou Smith** goofed it up. Blair was off by a year (9 vs. 10) so he was tagged \$60. Lou surrendered and missed his by eleven years so he owes \$110.
4. **Lionel Rowe** didn't show up so he owes \$10,000!
5. \$50 non-Rotarian announcement from **Jessica Cunningham** about the Jr. Women's Club's "Gift of Music" fundraiser. On Saturday, October 3 from 1:00 p.m. and 5:00 p.m. you can hire your favorite band to come by and play one to three songs for you and your neighbors.

**Cheers to our fabulous EPN Team and here's to a successful first-ever virtual Wine Tasting this Friday at 6pm!**

## Family of Rotary

We're happy to hear that **Chip Garry** is recovering well from his latest surgery.

## Program

**Pandemic President Robin** introduced French horn player and Coronado resident Doug Hall who introduced San Diego Symphony musical director Rafael Payare. Maestro Payare grew up in Venezuela where he also played French horn since he was fourteen years old! After a guest conductor gig in San Diego in 2018 everyone loved him so much they offered him the job as musical director. Rafael has conducted all over the world and thinks that our Symphony is so good it should be taken all over the world. All we want is for the season to begin so we can hear president-elect **Rob Taylor** sing with the symphony and the master chorale.
