Notes from the Scribe

Math is hard! **Pandemic President Robin** thinks it's been 30 years since he and our guest speaker were in high school together. That would have them pushing 50 years old which we're not buying for a minute! **Ed Dougherty** was asked to offer the invocation and he led us in the Pledge (better than some of our CA Assemblymen!). **Helen Kupka** searched for any guests and visiting Rotarians and we had a plethora of both.

In case you missed our Zoom meeting this week you can catch it here on YouTube:

Rotary Notes of Interest & Announcements

- Pandemic President Robin** announced the slate of new Rotary officers and directors for the Rotary Year 2021-2022. They will read for three weeks then we will vote. President: **Rob Taylor**; Secretary: **Paul Laedlein**; Treasurer: **Bob Rutherford**; Past-president: **Robin MacCartee**; Directors: **Brittany Teeter, Karol McClellan, Sue Maack, Mike Woiwode, Dominique Davis, and Pat Starke**. President-elect (elect) is **LuAnn Miller**.
- Sue Gillingham**, who when she's not being a Rotarian, runs the Chamber of Commerce reported that Rotarians raised \$2750 to provide lunches for volunteers and workers at the vaccine center at our Community Center. This is win-win as Sue buys the lunches for our local restaurants, which certainly need the business. The vaccine center is going to be in "business" a long time so think about donating the \$30 you're saving each week NOT eating at The Del to the cause. The worker bees and volunteers deserve the support.
- Sue Ryan** presented our annual support to Georgia Farrell of Coronado SAFE. Our \$1500 donation will be used on Middle School Prevention Programs. For more information www.coronadosafe.org and [in-fo@coronadosafe.org](mailto:info@coronadosafe.org).
- The birds are coming! **Zayanne Thompson** made the Committee to Support the Environment report and Snowy Plovers and Lest Terns are returning so we need to pick up trash so it doesn't end up in their nesting areas.

**Looking good on MLK Day!
Next up is Presidents Day,
Feb. 15th. Thank you, Flag
Team!**

**Rotarians Rock! Thanks
to the many, many
Rotarian volunteers who
are making our city's
vaccine clinic a success!**

Fines and Recognitions

1. Steve Duermeyer is 79 today and on his way to 2790 miles on his bike. He's \$158 dollars lighter so this should be no problem.
2. We have a bunch of Club anniversaries this month and they all contributed \$100 toward their Paul Harris Fellowships: **Jeff Tyler** (16 years), **Phil Monroe** (25), **Doug Weisbarth** (37)
3. **John Klinker** is celebrating 34 years in Rotary and donated \$10 per year to the Lunch Brigade!

Family of Rotary

1. Knock on wood! Everyone is okay, we think.

Program

Rotarians can apply to **Pandemic President Robin** for three units of graduate credits in philosophy courtesy of our guest, and former classmate of **Pandemic President Robin**, Jack Bowen. Jack the son of former Rotarian John (and Judy) Bowen, a graduate of Coronado HS and Stanford University, a champion water polo coach at The Menlo School, and he's a philosopher. He's also the author of five books which you can find at Amazon. Jack spoke of the wonder and awe of philosophy and asking "big questions" about the nature of the world around us. He told us of how we are emotionally attached to sports and how he uses that attachment to motivate and inspire his student/athletes. Fun program, but we still don't buy that Jack and **Pandemic President Robin** were graduated from CHS 30 years ago!
