Notes from the Scribe

It was that time of day at that time of the week, so it must be Coronado Rotary! So sayeth **Pandemic President Robin** who called on **Phil Monroe** to offer a paean to gardening as our invocation. And, we actually had two visiting Rotarians check in, our old pals Patty Cowan and Peter Tomai!

In case you missed our Zoom meeting this week you can catch it here on YouTube:

2. If you're not volunteering at the Community Center **Doug Weisbarth** would like to recapture the Rotary vests. If you're continuing to volunteer, keep it, if not, return them as we have lots of projects coming up.
3. **Suzanne Popp** inducted our newest member, **JeanMarie Bond**, who is sponsored by **Tom Mitchell**! Out of over 1.2 million Rotarians, JeanMarie is the newest!
4. Who Am I? Besides being a Golden Domer, **Ken Kaminski** is a lawyer who grew up on the south side of Chicago, escaped, became a stockbroker, escaped became a public defender in Cook County, and finally escaped to Coronado and SD County's public defender office. Oh, and he brought along his wife and daughter. In his spare time he's a big booster of the Islander Sports Foundation, especially the 4th of July 12K.
5. The Golf Tournament is on and **Bob Plumb** said it's same time, same place, March 19, 2021.
6. The CSE report was given by **Ivan Dunn** who reported that we're meeting Emerald Keepers at Fiddler's Cove at 11:00 a.m. Friday, February 12 to join the Navy in cleaning up the bayside. Wear your Rotary clothes and bring gloves and trash-nabbers!
7. **Helen Kupka** talked about "Better Living Through Lighting" and steps you can take to light up your house environmentally. Helen also gave the Rotary Minute about Rotary Global Grants.

Dave Landon did the honors and introduced David Marshall of Heritage Architecture who is working on restoring the Hotel Del to its glorious past. David's firm is the architect on the restoration of the entry way, the historic driveway, the laundry building, the power plant, and the Oxford Hotel. They are consulting architects on the front veranda, the removal of the "trailer park, the north entry, the stained glass replacement, and the lobby. He showed great pictures along the way and the whole meeting is available on our you tube channel. You should check it out!
