Notes from the Scribe

The February 17th meeting started off with a zoom tutorial from **Ray Karno** to Chief Kaye! Order was restored and **Pandemic President Robin** asked **Tom Mitchell** to open the meeting with the invocation, and we had a surprising number of Rotarians zoom in including Bill Bowden from Oklahoma City!

In case you missed our Zoom meeting this week you can catch it here on YouTube:

Program

We got to meet our Police Chief Chuck Kaye and **Doug Weisbarth** stepped in to offer Rotary thanks for the years of Police support for Flags on the Avenue. Chief Kaye is a San Diego native, a graduate of Christian High and SDSU, and a veteran of the San Diego PD where he worked for Lou Scanlon. He's been our chief for just two years half of which have been under Covid protocols. He heads a modern, full-service police department that is fully engaged in the national issues that effect even local practices. The Six Pillars of 21st Century Policing are to build trust, policy and oversight, technology and social media, community policing, training, and officer safety. Big news for **David Adams** is that the Police Department will be hiring and promoting in 2021.
