COROTATOR

Notes from the Substitute Scribe

President Robin asked Chris Keyes to open the meeting with the invocation (Small acts of service) and lead the Pledge. And, wonder of wonders, we had three guests and one visiting Rotarian zoom in.

In case you missed our Zoom meeting this week you can catch it here on YouTube:

Rotary Notes of Interest & Announcements

1. WHO AM I? **Fahd Benjalil** was born in Casablanca, Morocco and didn't want to speak French, so he took a year of English and immigrated to the United States. He made his way to San Diego where he got his bachelor's and master's degrees, got married, and three children later he's CFO/COO of Sharp Coronado Hospital.
2. Jaimie reminded us dues are due and apologized for a Post Office glitch that caused your mail being undelivered.
3. **Kitt Williams** is encouraging every Rotarian to get with the program and sign up for the City's 130 Mile Challenge. You have from now until December 11, when the City turns 130 to log 130 miles anyway you like! Here's the link: <https://runsignup.com/Race/CA/Coronado/Coronado130MileChallenge> Now, see if you can catch **Kitt and Richard Williams!**
4. Tami Sandke reported that in a final bow to her presidency we raised almost \$5000 for Corazon de Vida. We sent money, laptops, and crafts down to the Hacienda Orphanage.
5. Our own **Bryn Butoph** of Nicky Rotten's is getting the raw end of Yelp reviews as they deal with corona virus. **President Robin** is encouraging Rotarians to patronize Nicky Rotten's, write a favorable review, and send a selfie to **Kitt Williams**. If this works, we may try it at some other places as well.
6. Our treasurer **Rainier Trinidad** reported that our income is down 40% and consequently we will likely be reducing our donations by 50%, so plan accordingly.
7. August 11 at 5:30 p.m. will be the first meeting of the Environment Committee hosted by **Amy Steward** and **Zayanne Thompson**.

It's all fun and games with Pres. Robin! Question: Who's ready to play Fine Time??

Answer: Janice Lowenberg! This little "Janice Look-a-Like" just celebrated her 3rd birthday and to celebrate, Janice coughed up a nice recognition/fine for our coffers.

Fines and Recognitions

1. Where are our Rotarians? **David Adams**, late of the karate studio, has graduated first in his class at the Police Academy. He'll be beating confessions out of miscreants at a city near you soon!
2. **Janice and David Lowenberg** have a three-year old granddaughter they haven't seen in person since January. We saw pictures and we're happy that she takes after grandma and not grandpa!

Family of Rotary

Nora Allen sadly reported that **Sue McNary** passed away this week. A Rotarian for 27 years and a prolific painter of all things Coronado she will be dearly missed. The family asked that memorial donations be made to St. Paul's Methodist Church. Services will be private at Fort Rosecrans.

Sue Tushingam McNary is pictured here with Prince Charles near Breakers Beach on North Island. Does anyone know what year the photo was taken? Our talented Sue certainly lead an exciting life!

Membership

Program

Dave Landon introduced Ruth Weiss of the Election Integrity Project. This 501 (c)(3) attempts to ensure that all votes are legally cast and counted. They observe, conduct research, provide legislative oversight, and sometimes litigate to ensure honest voting. Covid-19 is causing potential problems, in their opinion, because of the proliferation of mail-in ballots. She recommends voting in person as mail-in ballots have printing and mailing errors, Postal Service problems, potential loss or theft of ballots, rejection, duplication errors, or curing problems. So, don't be lazy, exercise the franchise, ON election day!
