Notes from the Substitute Scribe

After an extensive pre-meeting get together **President Robin** called the meeting to order at precisely 12:30 p.m. and he called on **Pat Starke** to offer the invocation and lead the virtual Pledge. **Maggie Pettit** asked any visiting Rotarians or guests to identify themselves.

In case you missed our Zoom meeting this week you can catch it here on YouTube:

Rotary Notes of Interest & Announcements

1. District Grants are still functioning and **Mary Griffin** has secured one for Missionvale for a water harvester.
2. **LuAnn Miller** also reported on the Foundation meeting and how Rotary International's Endowment has risen from a modest start (\$26.50) to \$1.7 billion.
3. **Kitt Williams** is encouraging every Rotarian to get with the program and sign up for the City's 130 Mile Challenge. You have from now until December 11, when the City turns 130 to log 130 miles anyway you like! The Rotary Team is up to fourth place with 23 participants. Here's the link: <https://runsignup.com/Race/CA/Coronado/Coronado130MileChallenge> Now, see if you can catch **Kitt and Richard Williams!**
4. August 20 at 6:00 p.m. will be the next Rotary Zoom Social where we'll hear about vitamins and CBD! **John Matthews** called the tune for us.
5. The End Polio Now Wine Tasting party will be virtual featuring the Paso Robles wineries. **Kitt Williams** is soliciting silent auction items and also thanked all those who have donated to the cause so far. **Pat Flynn** shared a powerpoint on the state of End Polio Now and solicited support for the party. They raised \$10,450 just in a few minutes from generous Rotarians. Pat recognized **Kitt Williams, Sue Maack, Sherry Calhoun,** and **Kris Grant** for putting together a great program in a difficult time.

It's getting to be Wine Time! What an amazing virtual Raise –the—Paddle we had today! Kudos to all.

He's brilliant and he's a local talent, but he zoomed in from vacation in the Pacific Northwest! Thank you, for a great program, Justin!

Lots of fining opportunities for Pres. Robin from moments captured on Zoom! Who deserves it here?? It's fairly obvious!

Program

President Robin introduced a local boy who done good! Justin Bingham is the Senior Vice-president of business development for Centogene. Centogene is a bio-tech company that specializes genomic solutions to rare diseases, defined as diseases effecting less than 200,000 people. They have pivoted to Covid-19 testing for asystematic cases so that they can help open travel and schools. He's also involved in a non-profit Soteria which specializes in precision medicine for all. The bottom-line is that Justin's too flippen' smart for this crowd!
