## COROTATOR

### *Notes from the Scribe*

The most flexible, dynamic, and motivated Club in the GALAXY went back to CYC. **President Rob** asked **Paul Laedlein** to offer the invocation and **Dan Orr** had the honor of introducing NO ONE! No visiting Rotarians visited us today.

## Rotary Notes of Interest & Announcements

1. **Suzanne Manuel** is going to the International Convention in Houston, June 4-8, 2022, and doesn't want to go alone! Register at Rotary.org.
2. **Suzanne Popp**, the first Rotary president with shaved legs, presented the slate of nominees for the Rotary year 2022-23. They are Past-president **Rob Taylor**, President **LuAnn Miller**, Treasurer **Karol McClelland**, Secretary **Jeanmarie Luker**, Returning directors **Mike Woiwode** and **Pat Starke**, New directors **Kitt Williams**, **Natalie Bailey**, **Janice Lowenberg**, and **Tom Edison**. President-elect is **Bob Rutherford**.
3. The City's Halloween festivities were terrific mostly because of Rotary and **Brittany Teeter**!
4. **LuAnn Miller** needs volunteers for the hospitality suite at the Spreckel's Center for the ClIFF on November 11, 12, and 14.
5. We got to meet some of our Red Badgers who were introduced by Paul Laedlein. We met **Charles Nelson, Jr.**, **Tim Quast**, **Luis Socconini**, and **Robert Scott**.
6. We got a Rotary Foundation report from **Bob Rutherford** since it's Foundation Month. You can check your status at [www.Rotary.org](http://www.Rotary.org) but it's a byzantine process. The cliff notes version: Dollars and points are treated differently!
7. Barrio Logan College Institute has moved, but they're still doing great. **Dominique Davis** is our contact if you'd like to help out. They could use some tutors if you're good in math and science.
8. Our next Rotary Social will be at the **Ron Beaubien's** on November 18. Plan on showing up and bringing goodies to share.
9. It's never too early to plan for Christmas! The Rotary Christmas Party will be December 15 at CCYC. **Anne Stockdale** and **Jeanmarie Bond** are the leaders and they could use some help. So, volunteer and help make it the best party ever!
10. If you continue to volunteer at Sharp Hospital's vaccine clinic email **LuAnn Miller** with your volunteer hours.

**Eric Nelson presents Carpet Recycling 101, including polymers and monomers!**

**Happy Fall, Y'all!**

## Fines and Recognitions

No time today.

## Family of Rotary

A service for Jerry Easton was held Thursday, at the Coronado Golf Course at 4:00 p.m.

**Rick Wilcoxon** is out and about and doing great. **John Duncan** has a bunch of radiation sessions (including Wednesday's at noon!), but he's doing fine and has a great attitude.

## Membership

The following persons have been invited to join the Rotary Club of Coronado and have been vetted by the Board of Directors and Membership Committee. If any member has an objection to these proposed members they need to make their objections known, in writing within ten days, to the Board of Directors.

<u>Name</u>	<u>Classification</u>	<u>Sponsor</u>
Rick Smith	Aviation Logistics	<b>Tom Mitchell</b>
Georgia Ferrell	Public Health and Mental Awareness	<b>Ron Verneti</b>

## Program

**President Rob** introduced his friend Eric Nelson of Aquafil for a discussion of, of all things, carpet recycling. Full credit to Eric for explaining the "circular economy" instead of prattling on about "sustainability." The issue is how does one get rid of four billion pounds of used carpet each year. Eric's solution is to recycle the nylon by turning polymers into monomers and recreating the nylon. On the whole a surprisingly interesting and informative program.
