## COROTATOR

### *Notes from the Scribe*

The most flexible and nomadic Club in the universe met at CCYC today and **President Rob** rang our hybrid meeting to order. **Ray Karno** offered the invocation and **Dan Orr (Your Humble Scribe)** introduced the one visiting Rotarian who found us. And, with a banner to trade, no less! **President Rob** had a nice article in the Eagle-Journal about his ownself and we wonder who actually wrote it!

In case you missed it, you can catch it here on YouTube:

## Rotary Notes of Interest & Announcements

1. The next Beach Clean-up will be District Conference weekend on September 11 at 8:00 a.m. **Paul Laedlein** showed a picture of last month's and everything is semi-back to normal.
2. If you continue to volunteer at Sharp Hospital's vaccine clinic email **LuAnn Miller** with your volunteer hours.
3. Concert in the Park is back on and Rotary is co-sponsoring the concert on September 5. Time for a party! **Suzanne Manuel** reminded us to meet on the Orange Avenue side of the Park and bring a dish to share.
4. "Vee have rules!" Guidelines, actually, for social media use. Here's the "Cliff Notes" version: Apply the Four Way Test to all your posts!!
5. We will celebrate **Dan Gensler**, Coronado, and Coronado Rotary! **Dan Gensler** is the new District Governor so we're hosting the District Conference September 10-12, 2021 at the Hotel Del. **Suzanne Manuel** said reservations are now open on the District 5340 website. **Kitt Williams** announced that the End Polio Now Party will be September 10 at the Windsor Lawn. Here's what you can do: Donate now to End Polio Now! **Ron Vernetti** and **Carol Sommer** have put up \$20,000 to be matched by, well, you! If we match the \$20K that becomes \$40K, which becomes \$120K through a Gates Foundation match. Win, win, win! To complete your weekend the Low Tide Ride & Stride is September 12. We need volunteers for the Conference and the LTR&S.
6. Watch for the silent auction email to support the Wine Tasting Party.

**Our Navy is in very capable hands with Capt. Amy Bauerschmidt at the helm of the nuclear powered USS Abraham Lincoln.**

**Have you signed up to volunteer for Low Tide Ride & Stride? It's fun, rewarding, and we really NEED your help! You can hose off bikes (as above), pass out t-shirts, direct traffic, or ask just Paul Laedlein where help is most needed!**

## Fines and Recognitions

1. President Rob should fine himself for the flattering article in the paper!

## Family of Rotary

Nora Allen had her baby, a little girl. She sent in a sweet picture of mom and baby. Circle of Life. We welcome Nora's new baby and say goodbye to former Rotarian Wayne Hoffmann who passed away last week.

## Membership

## Program

Another great program brought to you by **Donna Buss** who introduced Capt. Amy Bauerschmidt a former helicopter pilot who happens to be the **FIRST** female CO of a nuclear powered aircraft carrier. Commanding 90,000 tons of foreign policy makes "B-12" the most powerful woman in the world!! She told us of the fortitudinous decisions she made on her way to the top. Her leadership style encompasses ownership, professionalism, and ethics. Fun fact: Since she went to Catholic Girls' School she's been in uniform all her life!!
