Last Week's Program

Monday, July 5, 2021

Program last Thursday:

Biochar
Now 

Speaker- Jordan Weida from Biochar Now

An amazing product to aide in reclamation or improvement of both water and soil! Many members were interested in buying some for their yard, garden or pond. Missed the meeting? Or want to review what all Biochar can do? See slides [here](#). Thank you, Jordan, for a great program and Carol for asking her!
