Let one of them know if you can help volunteer at a hole. Social-distancing practices will be in place. There will be some changes to keep everything safe. It's exciting that we can host this fundraiser to support local youth through golf.

To the Incoming Officers and Directors:

You have been elected to important positions in the administration of Twin Peaks Rotary. This is an indication of our esteem and confidence in all of you. We also believe you will uphold the high

Will you fulfill the responsibilities of your offices to the best of your ability and in accordance with the constitutional documents of this club?

Answer: I will.

I hereby declare the new officers and directors installed and give President Kirsten Pellicer the gavel as symbolic of the transfer of the club's administration.

#### **6. Thoughts about the 2020-21 Rotary Year (Kirsten)**

I want to thank you all for entrusting me with the leadership of Twin Peaks Rotary. It is a great honor and I do not take the responsibility lightly.

Quite frankly, it's not what I expected. It's not what any of us expected. However, I think things are rarely exactly what we expect them to be and each of us has the ability and opportunity to help make it better.

This year's Rotary theme is "Rotary opens Opportunities". I am sure that when incoming Rotary International President, Holger Knaack, selected this theme he had no idea what was going to happen in the world. None of us did. But Albert Einstein once said, "In the middle of every difficulty lies opportunity."

Well, the difficulty is here. Our community and our world need Rotarians now more than ever and we have the opportunity to roll up our sleeves and help.

And that's what we do at Twin Peaks Rotary, we roll up our sleeves and help. We haul tables and straw bales. We flip pancakes and cook eggs. We assemble stages and wrestle balloons. We throw pies. We feed our community, build houses, and help send kids to college.

Will it be difficult? It already is in some ways. Will it be different? Yes. But this is an open door to an opportunity to demonstrate what Twin Peaks Rotarians are made of and I know we'll rise to the occasion.
