Trivia

Rick Kalamaya on Trivia:

What was the soldiers' disease? Morphine

How many adverse drug reactions cause deaths in the US alone? 100,000

Street names for heroines: H, horse, skag and junk

What was the first local anesthetic? Cocaine

What was the first drug marketed in tablet form? Bayer Aspirin

He also shared kids' commentary from Art Linkletter.

Announcements

- Please contact Kirsten Pellicer to volunteer to be one of the **note-takers** for our Rotary meetings. Thank you, Ashley for being the volunteer this week.
- Board meeting: **Terry Schueler will become our Treasurer nominee.** Wendi and Terry will work together on the transition over the next few months. May 8th we would like to do a joint service project with the Longmont Rotary, as part of the District Conference Day of Service effort. Rick Samson, Charlene Gearing and Steve Benschmidt will work on writing District Grant applications on behalf of the OUR Center and Colorado Friendship. There are now both Family and Corporate memberships available. Info can be found [here](#).

Brag Bucks

(tuck those bucks in an envelope to turn in when we return to **in person** meetings):

- Ashley Kasprzak shared that she is enjoying helping with the vaccination clinics.
- Donna Mercier bragged that she had her first vaccination earlier this week. Rich Schenker and his wife are going to have vaccinations today.
- Karin Snyder shared a photo from her son's wedding this past summer/fall.
- Dina Perfetti shout out to all of the SVVSD teachers for shifting to online learning in November and December. Now, they are in person four days a week. Some teachers, principals and students had tears in their eyes. We so much want to be in person. Thank you to parents and grandparents who have helped children.
- Rick Schenker attended Ohio State and was sad that it lost to Alabama, but their football win was convincing and well done.
- Kirsten bragged that she will be vacationing with her family next week in Snowmass. (President-elect Dean Lehman will be filling in for her at the meeting next Thursday.)

Program

Presenters: Dr. Ernesto Amaranto, a member of the Mead Rotary Club and Sherry Manning, Global Seed Savers

Dr. Amaranto's brother suggested he become a Rotarian 55 years ago. He finally joined 3 years ago. For him it has been exciting to be part of a group that gives meaning to life, beyond being a provider.

Global Seed Savers is an international development non-profit organization committed to building hunger free and healthy communities with access to sustainable farmer produced food and seeds. It is committed to supporting food security in the Philippines. Through educating and empowering farmers to return to the historical practice of saving seeds they are no longer dependent on purchasing seeds after each planting and forced to use harmful chemicals to grow these seeds.

Ray Derr reached out to Global Seed Savers several years ago. Dr. Amaranto thanked Ray for getting

Club Service Chair
