Trivia

John Burcham shared what he called TNT, Totally Not Trivia. Basically a bunch of funny, punny jokes!

Brag Bucks

(These are pieces of information shared by members who pay \$1 or more to talk to the group.)

Dave Chrisman- shared he had the date wrong for the golf tournament and some of his foursome were travelling here to play! He also needs people to assist his wife at the hole they are sponsoring. He cannot due to a hip issue. It was suggested that this was a \$5 Brag Buck.

Donna Mercier introduced her friend, Rachele Langley, a colleague at DACdb and Tulsa Rotary Club assistant.

Dietra shared that like Dave Chrisman, she had a calendar issue this past week. She went to her bank's Economic Update on the wrong time!

Beth Shipp made a Biochar purchase and commented that the workers looked like miners. She said she will update us on the results of applying Biochar.

Jim Marty also had a calendar issue; he arrived at the Past President's

Meeting on the wrong date!

Bob Sarchet *celebrated turning 86* with a ride on the Cog Railway!

Rich got away for a vacation in Barrington IL.

John Burcham's wife broke her arm! But they were told it was a "good break," she will only need a cast for two weeks.

Chris and Marilyn Treharne enjoyed a stay at the Broadmoor. Chris also had copies of Marilyn's "Million Dollar Beans" (served at After Hours) available for a \$5 donation to the Charity Fund. (Or you can go [here](#) and contribute \$5 at next week's meeting.) Chris also shared that they look forward to hosting After Hours next July. Thank you, Chris!

Terry Schueler bragged about Marilyn Treharne beautiful flower gardens.
