Birthday: We celebrated John Hassis◆s birthday with a ◆whimsical◆ rendition of Happy Birthday.

Guest Speakers: Lori Krueger

Sunday Night Lights was organized in 2010 after Lindbergh freshman Jake Franzel was diagnosed with osteosarcoma, a rare form of bone cancer. The community ◆ students, friends, family and teachers ◆ pulled together for Jake and his family. Jake◆s dream was to be part of the varsity football team and play ◆under the lights.◆ After he was told that it would never happen, Sunday Night Lights was born ◆ to give kids like Jake a chance to experience their dream!

Lori Krueger is President of the Lindbergh High School Sunday Night Lights Executive Board. Lori has been working on this project since its inception in 2010 and her kids have grown through the ranks as students and now as LHS alumni they continue to volunteer for these events as well. Lori is here today to tell us about their event this weekend.

The meeting closed with the Four Way Test.
