Today's Program

Program Speaker and Recap:

We were pleased to welcome Bill Vatterott and Carol Burkcke, of Rx Outreach, to our meeting this past week. They explained how the company was formed based on the inspiration of the CEO of Express Scripts to provide certain prescriptions for low and moderate income families. They are headquartered in Maryland Heights and have grown considerably since their inception. For the full session, please visit this [LINK](#).

ZOOM Information for this Week's meeting

In an effort to keep the number of Pmails to our members at a minimum, we are putting in the meeting information in this newsletter. There will not be a separate Pmail sent out with this information.

The August 17th meeting will be a tag-team between Mitch and Bryan about how their businesses have been changed due to COVID and any other interesting tidbits within the Overland Business Association.

Join us at 7am, with the program to start around 7:15.

What is ZOOM???

Ok...so you have heard about ZOOM in this bulletin and maybe have seen it elsewhere. What in the world is ZOOM???

Simply put, ZOOM is one of the newer methods to connect in a 'virtual' world. It allows folks from wherever to get together online at the same time and share ideas, discuss things, etc. It is very similar to GoToMeeting, WebEx, Microsoft Teams or other virtual meeting platforms.

For the average person, there is NO CHARGE for ZOOM. You can go to [ZOOM.us](https://zoom.us) and select PLANS & PRICING from the top and select BASIC PERSONAL MEETING FREE. You create a login (usually your email) and a password to set up your account, and away you go! If you do not wish to download the program, you will need to add and enable an app on your computer/laptop/tablet to connect.

You can also use a telephone and call in using one of the numbers provided. For security, if you dial in, you would also need to enter the password given. If you were to use your computer/laptop/tablet, clicking on the link provided would take you directly to the meeting.

If you have any issues, please contact David Robinette at 314-704-4811 or email at pdg.david.robinette6060@gmail.com and he can walk you through what needs to be done, do a test run with you on ZOOM, etc.
