Last Week's Program

Program Speaker and Recap:

We were proud to host Dr. Paul Robinette, who explained about robotics and how COVID affected his teaching methods. Paul is the son of members David & Mary and was at our Club a number of years ago when he was at Missouri S & T (then just referred to as "Rolla!"). He brought us up to date with his career and explained about how robotics works.

Due to inattention of our tech person, the very beginning of the meeting was not caught on the recording; as such it starts just into Paul's presentation.

Upcoming Meetings

Meeting Dates and Program:

We are close to beginning another Rotary Year. You will see the Weekly Program individuals below. Our Club Program Chair, Jerry Nolen, will be very happy if Club members were to start finding programs for their assigned weeks. If a member wants to switch with another for a different week, please let Jerry know. As we are continuing with our Hybrid format, speakers do not have to be physically present at the Club meeting.
