ZOOM Information for this Week's meeting

Please join us for a VERY SPECIAL meeting with the Rotary Club of Pancevo, Belgrade, Yugoslavia. We are connecting with Jovan Stankovic, a member of RC Pancevo for 18 years. During the given period, he has been president of the club two times, and also ADG twice. Currently, he is a District Trainer. Besides Rotary, professionally, he is a traffic engineer, expert for traffic accidents analysis and is in urban planning for a while (30+ years). Another interesting and important thing that he is very proud of is that I'm married and have two children, a daughter, and a son.

RC Pancevo consists of 13 members at the moment, and we would like to share more details about our club in the presentation that would be performed by our Past President, Natasa Lozovic, at the upcoming meeting.

One of the topics for the meeting will be introducing GG realized by us, "Bike for babies". RC Pancevo organized the trip of cyclist Dusan Milojkov, who covered over 8,000 kilometers and visited over 60 Rotary clubs in Serbia, Montenegro, Bosnia and Herzegovina, Slovenia, Italy, Spain, Portugal, France, and Belgium. We provide an amount of 67,280.00 USD with the great help of USAID and Rotary District 6060, District 11455 England, District 1385 Finland, and District 2240 Czech Republic and Slovakia, as well as RC Pancevo Mihajlo Pupin, RC Smederevo, RC Beograd, RC Stari Grad.

We completed activities and donated equipment for the Children's Department of the General Hospital in Pancevo and it consists of Transport Incubator, Stationary Incubator, Table for reanimation, 3xPhototherapy lamp, and finally 2xEKG devices.

Meeting Dates and Program:

We are close to beginning another Rotary Year. You will see the Weekly Program individuals below. Our Club Program Chair, Jerry Nolen, will be very happy if Club members were to start finding programs for their assigned weeks. If a member wants to switch with another for a different week, please let Jerry know. As we are continuing with our Hybrid format, speakers do not have to be physically present at the Club meeting.
