Announcements

The Rotary Club of Overland is back...virtually! We are continuing our weekly ZOOM virtual meetings and having more members join us each week. If you are not yet one of them, please feel free to join. If you have had any problems with ZOOM or are lost as to what to do, please contact David Robinette.

The Overland Board of Directors made a decision at their July, 2020 meeting to continue the virtual concept through at least September, 2020 and will revisit/review the decision at each upcoming Board meeting. There are several reasons among them are that most of our members are over 60 years of age and many have health considerations. The Board was also concerned as to how Russo's would handle the social distancing within their building, and even if we all would be able to fit given the social distancing and the limits for those in the building that St. Louis County has in effect at this time.

Today's Program

Program Speaker and Recap:

This week, we were pleased to host Bill Dees, our District Membership Chairperson. Bill discussed several ideas regarding how to increase our Club membership, the advantages of Satellite or Cause-based Clubs and other Membership initiatives. Bill will be working with President Mitch and our own Membership Chairperson Bryan to assist our Club in growing.

ZOOM Information for this Week's meeting

In an effort to keep the number of Pmails to our members at a minimum, we are putting in the meeting information in this newsletter. There will not be a separate Pmail sent out with this information.

Join us on September 16th for a presentation by Joe Cangas of Helmets First. This organization provides free bicycle helmets to youth via various police departments. Joe will explain how they accomplish all that they do. For a peek at what they do, you can view their website [HERE](#).

Join us at 7am, with the program to start around 7:15.

What is ZOOM???

Ok...so you have heard about ZOOM in this bulletin and maybe have seen it elsewhere. What in the world is ZOOM???

Simply put, ZOOM is one of the newer methods to connect in a 'virtual' world. It allows folks from wherever to get together online at the same time and share ideas, discuss things, etc. It is very similar to GoToMeeting, WebEx, Microsoft Teams or other virtual meeting platforms.

For the average person, there is NO CHARGE for ZOOM. You can go to [ZOOM.us](https://zoom.us) and select PLANS & PRICING from the top and select BASIC PERSONAL MEETING FREE. You create a login (usually your email) and a password to set up your account, and away you go! If you do not wish to download the program, you will need to add and enable an app on your computer/laptop/tablet to connect.

You can also use a telephone and call in using one of the numbers provided. For security, if you dial in, you would also need to enter the password given. If you were to use your computer/laptop/tablet, clicking on the link provided would take you directly to the meeting.

If you have any issues, please contact David Robinette at 314-704-4811 or email at pdg.david.robinette6060@gmail.com and he can walk you through what needs to be done, do a test run with you on ZOOM, etc.

New Website

We have a brand new website! Please check it out at <https://rotaryclubofoverland.org/>

It is still a work in progress; your comments and suggestions are gratefully accepted.
