Club Assembly Sets the Stage for New Year

By Richard Telthorst on Monday, July 19, 2021

President Jon has scheduled a club assembly for Wednesday morning that will outline our goals for this Rotary year and provide a snapshot of our financial resources and ongoing programs. Jon will lead us off with his "Big Picture" for the year, followed by a financial status report and budget outline from club treasurer Don Neumann. We will also hear about upcoming club programs, service projects, administration issues and the Rotary Foundation. Be sure to attend in person or by Zoom so that we can get started on another year of Rotary service and success.

Rotary Spotlight: Jon Browning

By Richard Telthorst on Monday, June 28, 2021

JCBR Club President Jon Browning brings an interesting background to his second term leading our club. Jon was born in Maryland, and had lived in five states by the time he was 15. He attended Gonzaga University in Washington State, graduating in 1999 with a degree in political science. He moved to Washington, D.C., and worked on the Hill as a congressional aide.

Jon graduated from the University of Missouri School of Law in 2003, and is now in a legal practice with Tim Sigmund, specializing in real estate acquisitions and development, construction, general business counseling, bankruptcy, employment law and estate planning. He and Maura were married in 2000, and are the proud parents of their daughter Margo, who joins her Dad at Rotary nearly every week. Jon has been a Rotarian since 2005.

Cart Decorating Set for Thursday

By Richard Telthorst on Monday, July 19, 2021

The annual JCBRC Mobility Cart decorating project will be held Thursday evening at Patrick Prenger's office (398 Dix Road, Suite 103) beginning at 5:30 pm. Plan to bring some Missouri sports team items with you to add to the cart, or drop them off with Julia at Wednesday's meeting. All items will be returned after Sunday's party at LogBoat Brewing Company in Columbia from 1:00 pm to 4:00 pm.

Hibernia Station Park Project Completed

By Richard Telthorst on Monday, June 28, 2021

With help from Julia Prullage, Joe Prullage, Greg Frank and Patrick Prenger, the Hibernia Station Park Project was completed on Sunday, June 27. The park was named after an old train station that had been on the site many years ago. The park was first kept up by the Holts Summit Rotary Club, but the club has

since disbanded. The park was in rough shape, and the old Rotary sign in the park had badly deteriorated. The JCBR club took up the project to clean up the park, adding flowers and cleaning away years of debris. The club paid for a new sign post, and the sign was made by local inmates. Soon a sign will be added to the park identifying the Jefferson City Breakfast Rotary Club as a park sponsor. The city of Holts Summit is very happy with the park's new appearance.
