### Birthdays

Norbert Plassmeyer

August 13th

Mark Mehmert

August 13th

Matthias H. Tolksdorf

August 18th

Jack Atterberry

August 29th

David Henry

August 30th

## Joey Wagner Speaks to the Breakfast Club

By Carolyn J Perry on Wednesday, August 5, 2020

Joey Wagner, our outbound student for the 2019-2020 academic year, reported on her time in France. Due to COVID-19, her exchange was cut short, but she was able to enjoy being in France from August to March. She lived in a small village close to Lyon. She was one of 46 Rotary exchange students in France; most were from Brazil and the U.S., but the exchange included students from all over the world. Some of her favorite memories included attending the Festival of Lights in Lyon, traveling to the beach and skiing in the Alps, and cooking an entire Thanksgiving meal for her host family.

She also enjoyed spending time in Belgium and found it curious to eat at an "American" restaurant featuring cheeseburgers, rootbeer floats, and music from *Grease*. Even though her exchange was cut short, Joey was very thankful for her time abroad, and she thanked the Club for our support.

## Asahl Hits the Jack Pot !

By Richard Telthorst on Wednesday, August 5, 2020

With just a handful of cards left in the deck, club member Bob Asahl drew the winning Joker last Wednesday, and took home \$2,144 in the club's 50/50 drawing. The deck had been whittled down week to week as unlucky ticket-holders selected cards that didn't give them a cut of the prize money. With just ten cards left, Bob's chances looked good as he considered his card selection. Upon winning, Bob kept his plans for his new-found wealth to himself, but seemed pleased to pocket the unexpected cash.

The other half of the kitty goes to the club's bank account to finance club projects and programs. This week we start with a fresh deck, and another chance to dream big while supporting Rotary.

## Mobility Cart Contribution Recognized

By Richard Telthorst on Monday, August 10, 2020

Mobility Worldwide, an international charity based in Columbia, has recognized the Jefferson City Breakfast Rotary Club for our recent \$300 contribution to help build mobility carts destined for Kenya. The organization had produced 388 carts this year before operations were curtailed due to the pandemic. Their last full container shipment left for Kenya at the beginning of July. The carts will assist disabled people in several African countries to be more self-sufficient and able to support their families.

## Wednesday's Meeting - Zoom and Hy-Vee

By Julia Prullage on Friday, June 5, 2020

Our Wednesday meetings will continue as hybrid, available in person at Hy-Vee and via Zoom.
