Attention Please: PolioPlus Contributions to CLUB

By Richard Telthorst on Saturday, September 19, 2020

Contrary to what you may have read in our bulletin last week, please make your contribution check for PolioPlus payable to "**Jefferson City Breakfast Rotary Club**", with the memo line to read "**PolioPlus**". That will help treasurer Don keep our contributions going to the right fund, and help us to better reach our contribution goal of \$2,750. Our annual fundraising drive, led by Bob Reed, will run until the end of October.

Trash Team Tackles Missouri Boulevard

By Richard Telthorst on Saturday, September 19, 2020

A small band of JC Breakfast Rotary Club members left Missouri Boulevard a little cleaner than they found it on Saturday morning. The club members took part in the semi-annual pick-up along one of Jefferson City's busiest streets, picking up and bagging trash strewn along the shoulders on either side of the road. Among the treasures the group found was a rescued American flag, a pretty good used trailer hitch, and an object that may once have been a box of tacos. Club members will return to the roadway next spring to collect what accumulates over the winter.

Volunteers Needed to Hammer Out Details on HH Project

By Richard Telthorst on Saturday, September 19, 2020

Club member Kit Freudenberg is looking for several volunteers from each of the four local Rotary clubs to help get the *Habitat for Humanity* project organized, work out some project protocols, and plan a committee structure and timeline. The coordinating group will report back to the four clubs each month on the group's progress and other project developments.

Volunteers are needed in the areas of construction, marketing, volunteer coordination and fundraising. The project, tentatively called "*Building Hope*", will engage all four Jefferson City Rotary clubs, along with River City Habitat for Humanity, in an effort to build a home for a needy family next spring. To join the coordinating group, contact Kit

at 573-619-3058 or Kitfreudenberg.secas@gmail.com.

Former RYE Student Sends Greetings from Taiwan

By Richard Telthorst on Saturday, September 19, 2020

Hank Tsai, a Rotary youth exchange student in 2018-2019, told club members last week that Rotary taught him that "the world is too large to stay on an island for his whole life." Hank, who is finishing his senior year on the island nation of Taiwan, plans to apply to colleges in his home country, along with schools in Australia and the United States. He spoke with club members by a recorded video, since he is spending much of his time now preparing for college entry exams. Hank says he plans to volunteer at the 2021 Rotary International Convention to be held June 12 -16 in Taipei, Taiwan; and hopes to connect with some of his Jefferson City Rotary friends

then.
