Jimmy Burgess Speaks to the Breakfast Club

By Carolyn J Perry on Sunday, July 5, 2020

Last week our Breakfast Club had the pleasure of hearing from Jimmy Burgess, the Director of True North Enterprises in Neosho. True North is a veteran-owned company that focuses on leadership development and team building for companies and businesses. It is known for its focus on mentoring and supporting veterans, and it offers leadership development from a military point of view. The newest venture of True North is called Brotherhood of Warriors. The goal of this not-for-profit group is to help veterans transition back into the community after leaving the military. Jimmy gave an overview of his work with True North, and he also told us about his recent work in New York City, where he spent a month working as an EMT to help with the COVID crisis there. Jimmy was recently featured on the cover of *Show Me* magazine for his great work on behalf of veterans.

Good News from Former In-Bound RYE Student

By Carolyn J Perry on Sunday, July 5, 2020

At last week's meeting, Tom Quinn passed on a message from one of our previous inbound students, Jeanne Simon from Belgium:

Here I am a graduate of the Bachelor of Psychological Science and Education with distinction! Thank you to my family and friends for supporting me during my journey and especially during this pretty special term! After three rewarding years and full of beautiful encounters, I'm heading to a master's degree in neuropsychology.

Tom Quinn Honored with the Avenue of Service Award

By Carolyn J Perry on Sunday, July 5, 2020

At last week's meeting, Tom Quinn was honored with the Five Avenues of Service Award. This award program provides a means for Rotary clubs to personally recognize members of the club for outstanding work in all five of Rotary's "avenues of service": club service, community service, international service, vocational service, and youth service. The District Governor retains the discretion whether to award the individual. As we all know, Tom has served our club, our community, and our youth programs most of all. Patrick presented Tom with the pin and crystal. Congratulations, Tom!

Derrick Spicer Recognized as a New Member

By Carolyn J Perry on Monday, July 6, 2020

Julia welcomed Derrick as an official "new member" of the Breakfast Club last week by presenting him with his new member materials. Derrick is the Director of Sales for Fairfield Inns & Suites. He is active in youth sports, Boys & Girls Club, and Special Olympics, and he also helps a friend and former NFL player host a Football Camp for inner-city Youth in Minnesota and Houston Texas each year. His goal for Rotary is to focus on youth programs and on fighting poverty and hunger. Welcome, Derrick!

Ric Telthorst Welcomed as New Member of the Breakfast Club

By Carolyn J Perry on Monday, July 6, 2020

Although we have had the chance to get to know Ric already, he was officially welcomed to the Club by Julia Prullage last week. Ric has already become very much involved by agreeing to lead the charge for prayer and humor, participating in the Club Visioning, and offering to help with the weekly bulletin (bless you, Ric!). We extend a hearty welcome to you, Ric, as well!
