Guest Speaker: Dr. Patricia Hall, Director of the Harry S Truman Memorial Veterans Hospital

By Carolyn J Perry on Monday, July 20, 2020

Last week the Breakfast Club enjoyed a fascinating presentation by Dr. Patricia Hall, Director of the Harry S Truman Memorial Veterans Hospital in Columbia. Dr. Hall leads 1700 employees, who provide health care to approximately 40,000 veterans. She explained that the VA Hospital's mission includes four components: excellent health care, education, research, and emergency relief during crises. In caring for veterans, Dr. Hall says they are always looking for ways to be exceptional, as they plan to be the "hospital of the future." At the same time, she mentioned that 70% of healthcare workers trained at MU spend some time learning at the VA Hospital--not just doctors and nurses, but also pharmacists, social workers, and technical assistants. The hospital is also known for its cutting-edge research, and for its emergency response; a team is currently in San Antonio helping with COVID relief. Finally, Dr. Hall was proud to announce that for three years running, the Hospital has been awarded the "Best Place to Work" in Missouri government, as she sets a high standard for caring for their employees. The presentation closed with an endorsement from Norb Plassmeyer, who stated that he believes our V.A. Hospital is the best in the nation.

Habitat Build

By Patrick Prenger on Monday, June 29, 2020

Per our request, Habitat has assigned our Club two slots to work on the four homes that comprise the tornado blitz. The locations we are assigned on Saturday, August 1, are 916 Jackson and 415 E. Ashley Streets. We are set up for five people at each location to work from 8am. to 3pm. The house on Ashley St. is the Mayor's House. The house is on the corner of Jackson St. and Ashley. All of the homes are in close proximity to each other. All tools and equipment needed will be provided, and when we get closer to the 1st of August we will have a better idea of the type of work we will be performing.

Craft Beer & Cart

By Julia Prullage on Sunday, July 19, 2020

The mobility cart purchased last week will be in Jefferson City on Wednesday, ready for decorating. It comes assembled and unpainted--just bare wood.

We also have the two carts below that were used by the Club's first Panama Water project that have been under the care of Jim Wieberg. See below.

All three carts can be decorated and will be sent to the Rotaract's Craft Beer & Cart event at Logboat Brewing Company on August 30th.

Great ideas for on decorating the 3 carts have come in from members - a Covid19 (Brittany Prenger); Best of Missouri (Patrick); educational theme of Kenya and Missouri (Stephen Stark); and Cardinals or Chiefs theme.

Carts will be in Patrick's office, and decorating events will be held soon. Date and time and location to be determined. Supplies can be brought to the weekly meetings or decorating events, or call for pick up.

Wednesday's Meeting: In-Person or by Zoom

By Carolyn J Perry on Monday, July 20, 2020

In Response to COVID-19 concerns, Jefferson City Breakfast Rotary is now offering a Hybrid Meeting. You will have the option to participate in the manner most comfortable to you and your health, whether that be in person at our Hy-Vee community room location OR via Zoom.

For In Person attendance Hy-Vee General Manager, Rod Dolph, **has requested social distancing of half capacity (25 people or fewer) and 6ft separation be observed. The wearing of masks is also encouraged except when consuming food or beverages.** It will be up to us as a group to comply with these guidelines, and the liability for any injuries or infection is on each participant individually.

As always, we want our members and guests to be safe, and encourage you to attend the meeting in the manner that is most enjoyable for you, However; If you are experiencing any symptoms or fever or have a reasonable belief you may have been exposed to COVID-19 as a result of travel or contact with an infected person, we politely ask that you attend by Zoom for the safety of our high risk members.
