District Governor Visits Club

By Richard Telthorst on Wednesday, August 11, 2021

Rotary District 6080 Governor Joan Kramer visited the Jefferson City Breakfast Rotary Club last week, remembering some of the many friends she made during her 11 years as a club member. Governor Kramer, now a member of the Jefferson City Evening Rotary Club, shared some of her goals for the year with club members.

She believes that all 52 clubs in the district should have a Rotary day of service. More emphasis should be placed on projects that empower girls, and suggested partnering with the Girl Scouts to seek out meaningful projects. Diversity is important to Joan, and she urged club members to grow the club by "each one bring one, but one different from you." She said retention of club members is just as important as growth.

Joan presented the club with the 2021-2022 Rotary banner which highlights the year's theme: "Serve to Change Lives."

Club Supports Rookie Teachers

By Richard Telthorst on Wednesday, August 11, 2021

Thanks to the efforts of JCBRC member Julia Prullage, a "rookie" teacher at each of the city's eleven elementary schools is receiving a \$100 contribution this week to help defray the cost of classroom supplies and decorations. This tradition was begun by Tom Quinn with annual cash awards to two teachers. Last week, the JCBRC board of directors supported Julia's idea to expand the program to all elementary schools.

Several club members helped to contact school principals who selected the rookies. At some schools with more-experienced staff, the award went to another teacher with the most need. The awardees have been invited to join us at the Marriott reception on August 26 to meet some of the club members.

Marriott Tour, Reception Slated for August 26

By Richard Telthorst on Wednesday, August 11, 2021

JCBRC members are invited to attend a special tour and reception (i.e. free food, perhaps adult beverages) at the new Courtyard by Marriott Jefferson City, 610 Bolivar Street, at 5:30 pm on Thursday, August 26. The unique hotel is built on the site of the original 1905 St. Marys Hospital, and incorporates one of the hospital's stone walls. The hotel has 119 guest rooms, including two suites, and four meeting rooms with more than 6,200 square feet of meeting space.

We'll plan to meet in the state-of-the-art hotel lobby to begin our tour and reception.. Be sure to sign up at Wednesday's meeting.

Fall Trash Collection Set for September 11

By Richard Telthorst on Wednesday, August 11, 2021

Members of the Jefferson City Breakfast Rotary Club will help Missouri Boulevard shine a bit brighter on Saturday, September

September 2nd

11. That's the date for our fall trash pick-up along one of the city's busiest streets. We will gather in the Orscheln Farm & Home parking lot about 8:00 am. Bags, gloves, and sharpened sticks will be on hand to help the clean-up go smoothly. We will be finished by 9:00 am. Look for a sign-up sheet at Wednesday's meeting, or an email from project leader Steve Erickson.
