Breakfast Club Members Learn "To Seed or Not to Seed"

By Richard Telthorst on Monday, October 5, 2020

When is the best time to seed our lawns? Well, according to Nick Rackers, we may have missed the prime time, but lawn care now is still important for a good spring result. Rackers, an instructor in the Commercial Turf & Grounds Management program at *State Technical College of Missouri*, told club members that September is the best month to seed to avoid the coming frost. But if warm days continue and you still seed this fall, be sure to use a good quality Fescue seed. Spending a bit more on quality seed is a good investment in your lawn.

Mowing to the proper height is important as well. Mow the lawn to about three inches -- any lower and you risk stressing the lawn and encouraging weeds. Mow more often than once a week if needed to keep the lawn healthy. Bare spots can be helped with rye grass. Rye will come up quickly and will be taken over eventually by Fescue.

Rackers also recommends two applications of fertilizer; one in October and one in March. It's important to feed the lawn in the fall to establish strong roots for spring. Be sure to measure the square footage of the lawn (don't just guess like I do) so that you are applying the correct amount. And, it is perfectly okay to mow leaves into your lawn rather than rake them up. The mulched leaves put organic material back into the lawn, and you back in front of the Chiefs' game sooner.

Vaughn Named Paul Harris Fellow

By Richard Telthorst on Saturday, September 19, 2020

Connie Vaughn has been recognized as a *Paul Harris Fellow*, a mark of distinction and generosity in the Rotary world. The Paul Harris Fellow recognition acknowledges individuals who have contributed \$1,000 to the Rotary Foundation. Rotary established the recognition in 1957 to encourage and show appreciation for substantial contributions to Rotary's charitable programs. It is named in honor of Paul Harris, the founder of Rotary.

Vaughn has been a member of the Breakfast Rotary Club since 2013, and currently serves as the chair of the *Family of Rotary* Committee. The committee highlights club members' birthdays and news about their families. She is the director of sales at the Candlewood Suites Hotel.

How will winner be determined? Will someone be checking bingo cards to confirm winners?

Using the 4 Way Test we will be determining winners on the honor system since this is event will have some members playing via Zoom.

How can players "Steal the Winning Bingo?"

After a player has the necessary squares to complete the Bingo and yelled "BINGO" other players now have the chance to tell the Bingo Announcer that they are going to "steal" the winning bingo card. In order to do so the Bingo Thief i.e. the one stealing the winning card, will need to donate \$25 to do so. Any other player may steal the winning card from the first "BingoThief" again for \$25. The final holder of the card will take home the prize for that round of bingo.

Money collected from the stealing the winning bingo cards will be donated to RI Polio in the club's name.

Are there any prizes to be won?

Of Course! What game of chance doesn't have a prize? Prizes will be awarded one for each of the 10 games. So of the prizes are:

Rotary ball cap with this year's theme logo

Box of Callaway Golf balls with Rotary logo

Basket of Halloween Treats

Gift card to Petsmart

Set of 2 Rotary luggage tags

Large Grocery Tote

Unisize Navy Rotary Socks

Basket of Beers from local brewery

Gift card to Ecco Lounge

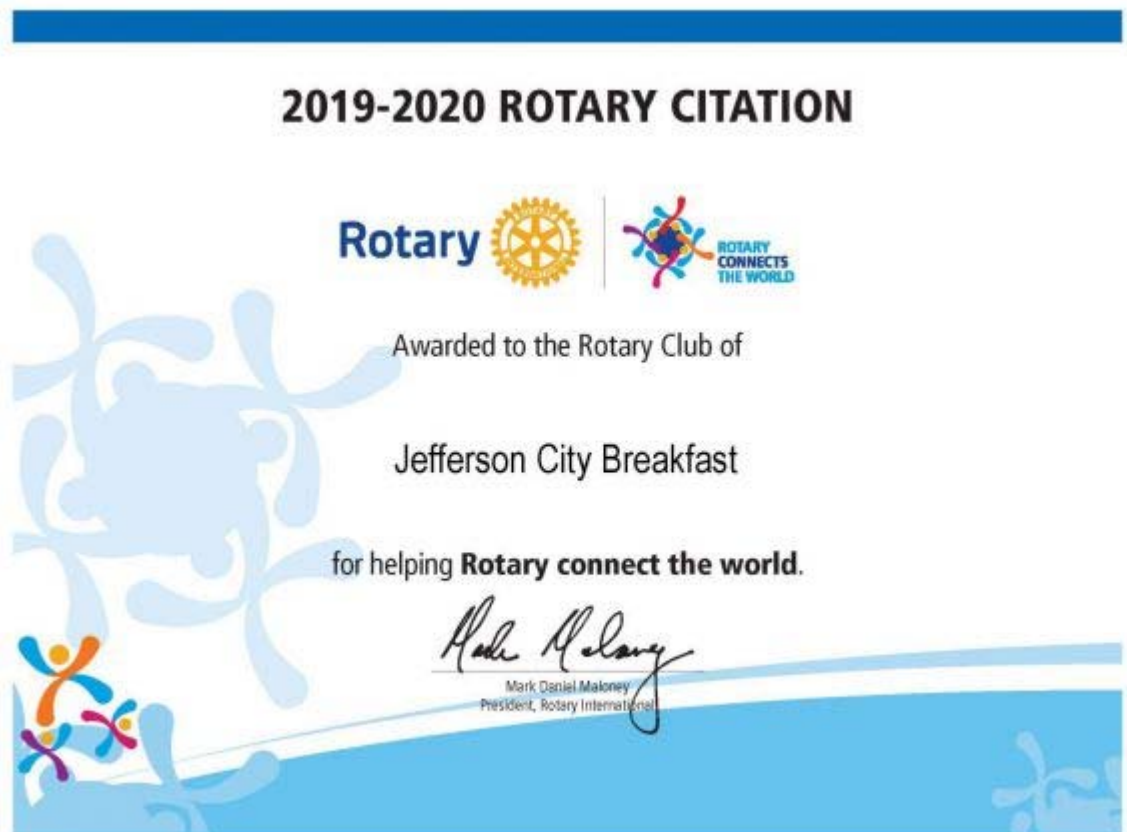

Rotary Polo Shirt-Performance Blend - winner's choice of color and size

How do I find someone wanting to Swap Paul Harris Points?

Ask a member in your Rotary Club. Talk with your Foundation Chair or Polio Chairperson.
