

Dear {Evening Rotarian},

Let's see how well I can use Pmail this week! All bets are accepted.

As a reminder, we are having an off-site social at the home of Joe Meystrik: 306 Busch Road, off of Route B in Wardsville. As you come from Wardsville on Route B, after you pass the turn off on the right for Route E, look for a sign for the small community of Osage Bluff. Busch Road will be a right turn immediately after Osage Bluff. Joe's phone number is 417-818-5184.

As those of us learned last November, when we had a delicious foundation dinner at Joe's house, he is a fantastic cook, so this off-site social tomorrow night should be an event to remember. Bring a dish to share, and any adult beverages you intend to consume or share. Also, you are encouraged to bring your own re-usable dishes and cutlery in order to help eliminate waste in the landfills.

Next week, August 6, we will be back at our regular meeting place at Grace Episcopal Church at 5:30. In lieu of a speaker we will have a brainstorming session about meeting our goals, learning about our committees and committee goals, while minimizing extra work and maximizing both participation and fun.

August 13 we will be doing an on-site service project, which we have come to call "Birthday Bags." We will be assembling age appropriate gift bags for CASA children.

I hope to see all of you at Joe's tomorrow night.

Carol
