

Dear {Evening Rotarian},

I would like to thank Joe Meystrik for his hospitality last week for our "5th Tuesday Off-Site Social." As we may have expected, the food was wonderful, as was the fellowship. I think it is so important for the growth of our club (and we are growing!) for us to have that social time to get to know and appreciate each other.

This week we are departing from our usual meeting to have a "Committee Fest". (Thank you for that, Frank!)

My goal is to have each committee briefly outline their goals, and especially for our newer members, explain what their committee does and how it fits into our program. This will also be an opportunity for our members to offer suggestions for changing, adding to, deleting from, or maintaining the committees. Nick is planning to have a new member orientation (open to the entire club) immediately after the meeting.

A reminder: on August 13 we will be preparing Birthday Bags at our regularly scheduled meeting, so be sure that you know what you are bringing for August 13.

I hope to see all of you on August 6.

Carol
