Dear Evening Rotarian:

This will likely be my last pmail to you, but it is an important one.

On Tuesday, June 30, we are gathering at the home of Joe Meystrik, our in-coming president for the 20-21 Rotary year, for a wonderful dinner and Joe's installation.

Joe's address is 306 Busch Road. To my way of thinking, it is Wardsville, but Google maps says it is Jefferson City. I'll leave that decision up to you. To get to Joe's house, I suggest:

- take Rte. B toward Wardsville
- Rte. B goes to the right at St. Stanislaus
- stay on Rte. B
- there are 7 turn-offs to the right before you get to Busch Road

- Green Hills Lane
- Pine Ridge Rd.
- Tanner Bridge Spur
- Rte. E
- unnamed private drive
- Korsmeyer Lane
- Giggins Creek Road
- Busch Road

Turn right onto Busch Road. Joe's house is several houses down on the right. It is set back a bit, and has a circular driveway. Park anywhere on the side of the road.

For those of you who responded for the head count, I thank you. Joe texted me last night asking for

a head count, and I am sure there will be more than the 16 from whom I have heard.

A reminder: bring a side dish, dessert, or hors' de oevres to share, and, as always, it is BYOB.

Thank you, everyone, and I look forward to sharing a wonderful evening at Joe's house with all of you.

Carol
