Fellow Rotarians,

Thanks to all that attended the installation event last week.

I appreciate all the wonderful pot luck contributions. It was good to get so many of us back together for a face to face meeting.

See you all tomorrow for the Zoom meeting where we will hear from Olivia Taylor our returning outbound exchange student who is back from Italy.

I looked at some possible meeting places until the church opens up.

HyVee has a club room upstairs that we can use at our regular meeting time. No cost as long as at least a few of us buy food and take it upstairs to eat. There is the deli, salad bar, and carry out sales area where food can be purchased. It solves the problem of someone being on the hook for snacks.

I would like to have a brief board meeting after the meeting on the 7th if possible to discuss meeting place until the Church opens up.

I hope everyone had a safe and fun Independence day this last weekend.  
I am looking forward to working with all of you this next year!

Yours in Rotary Service.

Joe
