Dear Evening Rotarian,

I know, I know. A couple of weeks ago I told you I was writing my last pmail, but obviously I did not write the truth.

Our new president, Joe Meystrik, found himself working at midnight last night trying to finish required entries into patient charts, so I am sending the pmail on his behalf.

Given the recent "uptick" in Covid cases in Cole County, and throughout Missouri, Joe said that we will continue to meet via Zoom for the immediate future. I know that many of us were looking forward to being able to meet in person at Hy-Vee, but we are staying with Zoom for now.

Cathy Libey will be sending you an email with instructions for logging onto Zoom. Please save that email because it will have the information you will need, not just for tonight's meeting, but for all meetings in the near future.

Our speaker for tonight's meeting is Lt. David Williams from the Jefferson City Police Department. He will be speaking to us on guidelines and training procedures within our police department.

Please join us tonight.

Carol
