Dear Fellow Rotarian's

This has been a wild week.

We had a great Zoom presentation from our District Governor Jacquie Howard last week. It has been a rough week for some of the members of our club.

Ben Cook's mom passed away on Wednesday, July 22, 2020 in Rolla, MO. She was only 60. So our deepest condolences to Ben and his family.

Many of you are aware that my dad has been failing for the last few years. He passed away on Friday, July 24, I will not be able to make the meeting tomorrow due to conflicts with the visitation.

Thanks to Zatuilla for offering to run the meeting tomorrow.

Please be sure to check out the rather random Rotarian sheet on our very own District Governor Elect Joan Kramer. I have known her since grade school and I learned a thing or two!

With all that going on there is no way I was able to get things together for a board meeting tomorrow. Let's shoot for August 4 for a board meeting and hope everyone stays healthy.

Joe
