Dear Evening Rotarians,

I hope everyone is well and enjoying the beautiful warm weather that we are having. John and I watched the Jefferson City High School cross country team run at the District meet last Saturday at Cole County Park. It was great to see Jackie's former teammates run and visit with their parents.

Joe will be presiding at our Club Assembly this evening since he is feeling better.

Following are the agenda items for this meeting:

1. Volunteers to serve on the Nominating Committee
2. Fundraising Plan
3. Service Project
4. Habitat for Humanity - Kit & Jim
5. Schedule Board Meeting
6. Other

We hope to be finished with the meeting by 6:30 pm.

Have a good day and see you tonight via Zoom.
