Dear fellow Rotarians of Jefferson City Evening Rotary Club!

I am hoping everyone's year is off to a good start.

A couple of things. The board will meet after the meeting this next Tuesday.

Mark your calendars for Show me Rotary March 27, this will be a zoom event. Our own Joan Kramer as the District Governor elect will be leading the show. Zatuilla and Jeannie as incoming officers the club pays for your registration. Go online and sign up. This is a budgeted expense.

Our meeting this week will be the second installment of Crayola Project. I's sorry... this may be inappropriate but I have too many friends that are U.S. Marines. I have the utmost respect for them. Every time the subject of Crayola's or crayons comes up, they start joking about eating them. If you know a Marine or have one in the family you will know what I mean.

See you at the usual time on Zoom.
