Dear fellow Rotarians of Jefferson City Evening Rotary Club!

Today is Martin Luther King Jr. Day. As we celebrate the life of this great man who was a champion of the civil rights movement it is important to reflect on what his life stood for.

He was an advocate of unity and doing for others. I would venture a guess that the divisiveness and upheaval in our society right now would cause him great distress. One quote that strikes me is this "we may have all come on different ships but we are in the same boat now." As Rotarians we are called to embrace the motto of service above self and strive to bring peace and unity to the world.

An update on Carol Robertson. She was transferred to the ICU at the University of Missouri Hospital yesterday. She is definitely not out of the woods by any stretch of the imagination. Her daughter and son in law are in town but the hospital is in No Visitor mode. Please keep Carol in your prayers.

We can send cards to
